A Purely K. of P. Wedding. From Times-Montainier.

Something rather out of the ordinary occurred at the regular convention of the Knights of Pythias lodge in Wasco, last Wednesday evening. It was a ceremony not provided for in the ritual, but was such a pleasant one that Knights who were present will favor having it added to the work at the next session of the supreme lodge. It was the wedding of Ernest Well and Miss Venable, two highly esteemed young people of Wasco, and the marriage vows were pronounced by Justice Joe Marsh, acting prelate. There was a full attendance of the Knights and Bathbone Sisters lodges, besides a number of invited guests, and everything went as merrily as a wedding bell, including the presentation of handsome presents from the two lodges and a splendid banquet.

**Lots of Beef.**

On Saturday evening at the Masonic hall, four members of that fraternity were present who stand far in the front as regards size and weight, the number of pounds of avoirdupois aggregating 203. The gentlemen and their respective weights are as follows: Rev. F. C. Adkins, 220; Rev. W. H. Iloff, 214; E. G. Sperry, 205; J. A. Patterson, 220. Revs. Adkins and Iloff were victors, but there are doubtless other members of Heppner lodge who could balance the scales with them. However, these figures represent lots of beef.

### GEORGE'S SWEET GOOD-BYE.

"Good-bye, sweetheart!" He had said it so many times that the repetition of the words sounded like a farce, but now they had by a slow and cautious route reached the vestibule, and there really seemed to be no reason why the young man should not go at once.

But here "sweetheart" took the matter in hand.

"George, dear, did you ever hear that there's luck in odd numbers?"

The young man looked a little puzzled. He was evidently obtuse when he should be quick-witted. The young woman came to the rescue.

"You've kissed me 12 times," she said reproachfully.

George did not need any more prompting. He at once responded to the call for an odd number.

He had his hand on the front door when he heard a low, deep sigh.

"George," the words had a sorrowful tone, "did you ever hear that 13 was an unlucky number?"

George had just made the number even again when a gruff voice sounded from the landing above:

"That'll do, George; leave some for tomorrow night!"—Chicago Times-Herald.

**Bucklen's Arnica Salve.**

**A Mortgage Just the Thing.**

A Swede came into a lawyer's office one day and asked: "Is there been a lawyer's place?"

"Yes, I'm a lawyer."

"Well, Maister lawyer, I tink I shall have a paper made."

"What kind of a paper do you want?"

"Well, I tink I shall have a mortgage. You see, I buy me a piece of land from Neils Peterson, and I want a mortgage on it."

"Oh, no, you don't want a mortgage; what you want is a deed."

"No, Maister; I tink I want a mortgage. You see, I buy me two pieces of land before, and I got deed for dem, and 'tuther faller come along with mortgage and take the land; so I tink I better get mortgage this time."

**What Dr. A. E. Satter Says.**

Buffalo, N. Y.—Gents:—From my personal knowledge, gained in observing the effect of your Shiloh's Cure in cases of advanced consumption, I am prepared to say it is the most remarkable remedy that has ever been brought to my attention. It has certainly saved many from consumption. Sold by Conser & Brook.

**He'll Not Do It.**

Two ladies in a Nebraska town were talking recently about the characteristics of Mr. Bryan. One was a Baptist and the other a Presbyterian.

The lady who was a Baptist remarked that Mr. Bryan, who was a Presbyterian, had serious thoughts of joining the Baptist church. The other lady looked at her incredulously, and after awhile remarked:

"Oh, no, he won't."

"Why not?"

"He would have to be immersed, and he's afraid to get out of sight of the people that long."—Nebraska State Journal

**Shiloh's Consumption Cure** cures where others fail. It is the leading Cough Cure, and no home should be without it. Pleasant to take and goes right to the spot. Sold by Conser & Brook.

**Just So.**

A well known populist politician on returning home from Roseburg last week where he had been to hear Towne speak, met his wife at the front door with the remark: "Meris, there is no pro—" but before he could get any further with his declaration, she hit him with the rolling pin and knocked him through the window, saying: "Of course there 'sist any prosperity. A lot of you losing politicians couldn't see it if there was." "Meris," he said, arising to his feet, "I intended to say there was no prospect of my being nominated for sheriff on the fusion ticket so long as there are so many hungry democrats to be provided for."

**Not a Campaign Lie—Lye.**

If you are using the common brand of lye you are paying for a large percentage of common salt with which it is adulterated in many instances to the extent of one-half. When you buy Red Seal Lye or Putah you get an absolutely pure caustic, granulated like sugar and packed in large shipping tin cans.

**Brought to Justice.**

The last arrest of Alfred Raymond Ockerman, defaulting secretary of the Portland lodge of Elks, which took place last Sunday at Vancouver, B. C., will likely result in his being brought to justice. The extradition papers have been received at Vancouver and Constable William Connor, of Portland, is in Vancouver to take his prisoner into custody and bring him back to Portland. Ockerman is \$3,000 or more short in his accounts, and, so far as his case is concerned, the fault of a brother will not be "written upon the sands."—The Dalles Chronicle.

**A TIMELY WARNING.**

Grain Saved is Money Made. To save the grain use Fry's Concentrated Squirrel Poison. This preparation is the cheapest and most economical for the farmer. One grain kills. Guaranteed. Price 25c per can or \$1.50 per case of two dozen. For sale by Slocum Drug Co., Heppner, Or.

### THE WONDERS OF SCIENCE

## LUNG TROUBLES AND CONSUMPTION CAN BE CURED.

An Eminent New York Chemist and Scientist Makes a Free Offer to Our Readers.

The distinguished chemist, T. A. Slocum, of New York City, demonstrating his discovery of a reliable cure for Consumption (Pulmonary Tuberculosis), bronchitis, lung and chest troubles, stubborn coughs, catarrhal affections, general decline and weakness, loss of flesh, and all conditions of wasting away, will send THREE FREE BOTTLES (all different) of his New Discoveries to any afflicted reader of this paper writing for them.

His "New Scientific Treatment" has cured thousands permanently by its timely use, and he considers it a simple professional duty to suffering humanity to donate a trial of his infallible cure.

Science daily develops new wonders, and this great chemist, patiently experimenting for years, has produced results as beneficial to humanity as can be claimed by any modern genius. His assertion that lung troubles and consumption are curable in any climate is proven by "heartfelt letters of gratitude," filed in his American and European laboratories in thousands from those cured in all parts of the world.

The dread Consumption, uninterrupted, means speedy and certain death. Simply write to T. A. Slocum, M. C., 98 Pine Street, New York, giving postal office and express address, and the free medicine will be promptly sent direct from his laboratory.

Sufferers should take instant advantage of his generous proposition. Please tell the Doctor that you saw this in the Gazette, published at Heppner, Oregon. July 9-7-1 yr.

Now Prepared to do Any Kind of Printing—Don't Send Your Orders Away 'Till You Get the Gazette's Estimates

Heretofore the Gazette's job department has tried to do no work other than plain printing. However, this shop is now prepared to tackle anything in any line and will meet prices of any person under the sun in the line of druggists supplies, blank books, bank work county work, or any sort of book binding—work that you have heretofore sent away to get done.

The Gazette shop is not a charity concern but if you will give us a chance we will see that you are satisfied in every particular.

Buy your goods at home. Remember that Abe Lincoln said that when one bought goods away from home the foreigner got the money and we got the goods. But when the goods were bought at home we had both money and goods. This is good doctrine. We are willing to abide by it.
