

# Those Dreadful Sores

**They Continued to Spread in Spite of Treatment but Now They are Healed—A Wonderful Work.**

"For many years I have been a great sufferer with varicose veins on one of my limbs. My foot and limb became dreadfully swollen. When I stood up I could feel the blood rushing down the veins of this limb. One day I accidentally hit my foot against some object and a sore broke out which continued to spread and was exceedingly painful. I concluded I needed a blood purifier and I began taking Hood's Sarsaparilla. In a short time those dreadful sores which had caused me so much suffering, began to heal. I kept on faithfully with Hood's Sarsaparilla, and in a short time my limb was completely healed and the sores gave me no more pain. I cannot be too thankful for the wonderful work Hood's Sarsaparilla has done for me." Mrs. A. E. Gilson, Hartland, Vermont.

# WOMAN'S DRAWBACK.

**BUSINESS MEN CANNOT DEPEND ON WOMEN FOR HELP.**

They are all too often because negligent of their health—A Business Woman's Telling Words.

The greatest drawback today with women that work in the stores and factories is that they do not take the right care of their health. Business men frequently say they can't depend on women because they are ill too often. If every woman would take the right care of herself this complaint would never be heard.

Many thousands of young women are working, suffering agonies that would force a man to a sick bed. They bear their fortunes in silence because of their inborn modesty and blame their mothers for not advising them.

Mrs. G. W. Mansfield, of 58 Farrar street, Detroit, Mich., is a business woman, and a successful one too. Employing many young women and having years of experience in the business world she is in position to speak of women who earn a livelihood.

"For years," she says, "I suffered in silence and was so worn out at night that I could not sleep. I visited a female specialist who said I had a complication of ailments peculiar to women. I could not find relief from her remedies and had tried so many kinds of medicine that I had given up all hope of ever getting better."

"I was given a bottle of Dr. William's Pink Pills for Pale People, by a young lady in my employ. The first box gave me much relief and I was able to rest at night for the first time in many months."

"I then bought more pills and think I must have used a dozen boxes in my own case, but have given away to suffering women double that amount. Without a doubt these pills are a good medicine for they cured me, and have cured several people to my knowledge."

"I think that if you should ask any of the druggists of Detroit who are the best buyers of Dr. William's Pink Pills for Pale People, they would say that the young women."

"These pills certainly build up the nervous system and many a young woman owes her life to them."

"As a business woman I am pleased to recommend them as they did more for me than any physician and I can give Dr. William's Pink Pills for Pale People credit for my general good health today."

No discovery of modern times has proved such a boon to women as Dr. William's Pink Pills for Pale People. Acting directly on the blood and nerves, invigorating the body, regulating the functions, they restore the strength and health to the exhausted woman when every effort of the physician proves unavailing.

For the growing girl they are of the utmost benefit, for the mother indispensable, for every woman invaluable. Everywhere Dr. William's Pink Pills for Pale People are recognized as a specific for the blood and nerves. For paralysis, locomotor, ataxia, and other diseases long supposed incurable, they have proved their efficacy in thousands of cases. They are one of the greatest blessings ever bestowed upon mankind.

## Ratification Meeting.

A large crowd gathered at the opera house Saturday evening to attend the ratification meeting held by the Morrow county republican club. The music furnished by the ladies band was excellent and after each piece they were roundly applauded. Space does not permit mention of more than the names of those who spoke which are E. L. Freeland, D. A. Hamilton, W. C. Crawford, Matt Lichtenthal, J. W. Shipley, J. F. Willis, J. L. Howard, Dr. Huelock, A. G. Bartholomew, G. W. Phelps, J. T. Hoskins, K. F. Hynd and C. N. Peck, each of whom was greeted with great applause. Everybody says it was a great good time. The meeting closed with the singing of "America" by the male quartet consisting of Akers, Hart, Galloway and Shipley.
