OLD TACTICS.

The Oregonian's recent insinuations and statements that there is a combination between a number of republicans of Multnomah county and Penneyer is in line with its usual assertions.

convention at Minneapolis, and was the Oregon vice president of that body. It 1894 he was again the permanent chairman of the state republican convention.

The Gazette believes that Mr. Tongue ought to be elected, and his friends are sanguine over the prospects.

WHO SAID SO? The latest political organization in Portland is known as the anti-Simon republican party.

The Oregonian has said so, but when did the E. O. begin to accept that paper as authority on anything where facts are expected?

GRAHAM GLASS, jr., as secretary of the state central committee! How does this go down?

A PATRIOTIC Swede in Wisconsin recently sent the following effusion to a local paper: "I hop you Stan By Cupan and Giv Spain the Davel."

WHEAT is advancing rapidly. It has reached \$1.15 to \$1.17 in Chicago and is still going up.

IT is urged against M. A. Moody that he is a banker. He is not a banker to hurt, else he would not have loaned money where he could not get it back.

THE Portland Dispatch has quit trying to be democratic and now is devoting its energies in promoting Simonism and fighting all republicans who do not swallow the little boss.

THE Gazette hopes that the republican ticket can be elected in its entirety. It is not "kind o' not" supporting the ticket and "kind o' not."

TO WHOM IT MAY CONCERN: We, the undersigned, restaurant and hotelkeepers of the city of Heppner, hereby agree to make the following minimum rates on meals and board at our respective places of business.

Weak Lungs. If you have coughed and coughed until the lining membrane of your throat and lungs is inflamed, Scott's Emulsion of Cod-liver Oil will soothe, strengthen and probably cure.

OUR ticket, all in all, is a good one and commends itself to the voters. It can be elected if a few old political scavengers can be kept quiet, and if the party's affairs are trusted to men like Harry L. Wells.

THE republicans of the first district of Oregon did the proper thing when they re-nominated Hon. Thos. H. Tongue to succeed himself as congressman from that district.

THE DALLES Chronicle, one of our best exchanges, is now coming out as a morning paper in addition to the weekly edition.

GRAHAM GLASS, jr., is a splendid fellow personally, but he is not the man to act as secretary of the state central committee.

THE republican party can win this year in Oregon. If we wish to win clean managers must be in control.

SPAIN is acting like the star actor at a Chinese theatre—a whole lot of bluster and then out of sight.

Another through tourist car to the East has been arranged to run out of Portland, giving four each week. Hereafter the car leaving Monday will run through without change to Kansas City and Chicago, over the O. R. & N.

THE Decepted Jimson Weed. If "Jimson weed" were not a weed but a costly exotic, how it would be treasured for lawns and greenhouses.

There is no use suffering from this dreadful malady if you will only get the right remedy. You are having pain all through your body, your liver is out of order, have no appetite, no life or ambition, have a bad cold, in fact are completely used up.

Spring Medicine.

It is true wisdom for everybody to take a thorough course of Swift's Specific just at this season of the year. The blood is sluggish and impoverished, and the system is full of impurities which should be eliminated.

S.S.S. For The Blood.

is far ahead of all other remedies for this purpose. It is a real blood remedy which promptly purifies the blood and thoroughly renovates the entire system.

The Hatchet, of Washington county, digs up the following, which the Gazette publishes as a relic of that abortive attempt to hold a legislature, over a year ago.

What Geo. W. Patterson Promised Before Election and How He Kept His Promise.

The letter below is an exact copy, wording and spelling unchanged, of what the candidate for joint senator from Washington, Columbia and Tillamook counties wrote Editor Beagle, of the St. Helens Mail, when he wanted to get elected.

Hilleboro, Or., May 20, 1896. "Mr. J. K. Beagle, My Dear Sir: Yours of late date to hand and noted in reply will say that I endorse the resolution in your platform as follows:

"1st In the election of assessors and road supervisors.
"2d In regard to useless commissions.
"3d In reference to Hon. J. H. Mitchell."

"I heartily endorse
"4th " " Fishing industries
"5th " " to the expenditure of Public Money

"My only reason for not writing you sooner was the fear of the duty Mitchell men in this county had they were very few, but I have at all times been a warm supporter of him and no honest Representative can go against 75 per cent of the voters which I feel sure want Mitchell. If you write to me up on the above platform please be careful and say nothing that is going to hurt the balance of the ticket or myself. I wish I could see you and have a talk with you but will see you later and I will now leave the matter in your hands. Please excuse short letter for I am very busy Truly yours, G. W. PATTERSON."

The following letter was published in the Oregonian of March 7, 1898, as having been the pledge of the bold up members of the last legislature. "The undersigned members of the 19th biennial session of the legislature hereby agree with each other and pledge ourselves that we will support for United States senator and use our utmost endeavors to elect any sound money republican of character and standing, other than Senator Mitchell, or such candidate as may stand for him, who shall be the choice of the majority of the republicans.
