WEEKLY The MONTHLY Outlook

Published Every Saturday

13 Astor Place New York

The Outlook will be in 1897, as it has been during each of its twenty-seven years, a history of our own times. In its various editorial departments the Outlook gives a compact review of the world's progress; it follows with care all the important philanthropic and industrial movements of the day; has a complete department of religious news; devotes much space to the interests of the home; reviews current literature; furnishes cheerful table-talk about men and things; and, in short, aims to give free information, original observation, and reasonable entertainment.

Beginning with the fifty fifth volume, the paper will assume the regular magazine size, which will add greatly to its convenience and attractiveness. The Outlook is published every Saturday—fifty-two issues a year. The first issue in each month is an Illustrated Magazine Number, containing about twice as many pages as the ordinary issues, together with a large number of pictures.

The price of The Outlook is three dollars a year in advance, or less than a cent a day.

Send for a specimen copy and illustrated prospectus to The Outlook, 13 Astor Place, New York City.

The squadron is uninjured and only a few men are slightly wounded. The only means of telegraphing is to the American consul at Hong Kong. I will communicate with him.

WASHINGTON, May 7.—A second dispatch from Dewey announces that the fortifications at Manila have been taken and the ships landed. He has 250 wounded prisoners. Manila can be taken at any time. Secretary Long telegraphed Dewey as follows: "The president in the name of the American people thanks you and your officers and men for your overwhelming victory. REPUBLICAN MEETING.

The Saturday Night Meeting a Complete Success—A Splendid Crowd in Attendance.

The meeting of the Morrow County Republican club, last Saturday evening, was a lively affair. Just after sundown, Bill Estes' blacksmith artillery was brought into use by R. F. Hynd and others, while the ladies' band reeled off a few good tunes that set every person, regardless of party, in splendid humor.

Mr. William Reamus was the first speaker, and he was well received. As his time was short he did not really enter into any lengthy discussion of political events, but confined himself to republican matters in general, clinching his talk with good stories. His remarks concerning our local candidates and conditions were a notable feature of his address.

Mr. E. L. Freeland, republican candidate for representative, was called upon for a few remarks, and though he did not long engage the people, he talked plainly and to the point on questions of local interest, advocating a reduction of the salaries of sheriff and clerk and pledging himself to advocate a settlement of the sheep difficulties between Morrow and adjoining counties. His plan is that advocated by the sheepmen of this county, that sheep be taxed in proportion to the time they are ranged in the county. Mr. Freeland made a splendid impression.

Hon. A. W. Gowan, candidate for joint senator for the counties of Morrow, Grant and Harney, then spoke for some time on the political issues of the day. His remarks were to the point, but the speaker was considerably disturbed by many leaving the hall, but some of the opposite faith remained and "took their medicine" like men. Mr. Gowan stated that if re-elected to the position of joint senator he would endeavor to discharge the duties as a legislator in a manner satisfactory to his constituents.

Mr. Gowan's itinerary for the county has been arranged as follows: Pine City, Monday, May 9, at 1:30 p. m.; Lexington, Tuesday, May 10, at 1:30 p. m.; Ione, same date, at 7:30 p. m.; Eight Mile Center, Wednesday, May 11, at 1 p. m.; Hardman, same date, at 7:30 p. m.

The club is under obligations to Mrs. Corb Bartholomew and Miss Cora Hart for an instrumental duet, and to Miss Elsie Ayers and to a quartet, composed of Messrs. Leonard Akers, James Hart Jay Shipley and M. B. Galloway, for patriotic songs. Miss Ayers' effort was highly complimented, but indeed all were much appreciated.

W. W. Smead, president of the club, presided and closed the meeting by thanking the audience for their presence and splendid attention.

Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the eustachian tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and the tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give one hundred dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh cure. Send for circulars, free.

647-648 Mrs. M. Von Cadow.

The time of meeting of Rawlins Relief Corps, No. 23, has been changed to the third Saturday in each month, at 2 p. m. The place of meeting is the same as last year in the I. O. O. F. hall. Mattie Smead, Secretary.
