LITERARY NOTES.

Samuel Parsons, Jr., late superintendent of parks in New York city, is perhaps the highest American authority on the making and beautifying of parks. His article, "The Parks and the People," in the May Magazine Number of The Outlook, is thoroughly readable, and is notable also for its abundant and charming illustrations. (\$3 a year. The Outlook Company, 287 Fourth avenue, New York.)

The Marquam Grand, on Morrison street in the Marquam building, is under excellent management and the public will be royally entertained this winter. New companies and new faces will appear from time to time at this popular, first-class theatre of Portland, and when in Portland our denizens should not fail to take in some of the fine dramas that will be presented.

CONDO GLOBE: Hon. C. W. Fulton, of Astoria, and Malcolm A. Moody, of The Dalles, entertained the people of Condon on the evening of May 16th by a few brief and well chosen remarks in the interest of the republican party. Look of space this week prevents us from publishing their speeches. Beauty is Blood Deep. Clean blood means a clean skin. No beauty without it. Cascarets, Candy Cathartic clean your blood and keep it clean, by stirring up the lazy liver and driving all impurities from the body. Begin to-day to banish pimples, boils, blotches, blackheads, and that sickly bilious complexion by taking Cascarets,—beauty for ten cents. All druggists, satisfaction guaranteed, 10c, 25c, 50c. Congressman Tongue's friends are making a red-hot canvass in his behalf in the first congressional district. Mr. Tongue is worthy of it, because he is true to his friends. This is a principle worthy the emulation of any man. Cordray, the pioneer thespian of Portland in the line of "popular prices," has refitted the Washington St. theatre, formerly known as the "New Park," Cordray always has something new, and our people, when below, can spend a pleasant evening at his place. E. O. E. H. Clarke, the popular wool buyer, representing the well known firm of Christy & Wise, of San Francisco, arrived this morning preparatory to the purchasing of wool for his firm the coming season. For Constipation take Karl's Clover Tea, the great Blood Purifier, cures headaches, Nervousness, Eruptions on the face, and makes the head as clear as a bell. Sold by Conser & Warren. x The East Oregonian contains some interesting letters from the pen of J. P. Wager, who discusses the Portland situation from a democratic standpoint. Wager is a bright, brainy man and his opinion counts for something.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the eustachian tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; since cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give one hundred dollars for any case of deafness caused by catarrh that cannot be cured by Hall's Catarrh cure. Send for circulars, free.

CONDO GLOBE: Hon. C. W. Fulton, of Astoria, and Malcolm A. Moody, of The Dalles, entertained the people of Condon on the evening of May 16th by a few brief and well chosen remarks in the interest of the republican party. Look of space this week prevents us from publishing their speeches. Beauty is Blood Deep. Clean blood means a clean skin. No beauty without it. Cascarets, Candy Cathartic clean your blood and keep it clean, by stirring up the lazy liver and driving all impurities from the body. Begin to-day to banish pimples, boils, blotches, blackheads, and that sickly bilious complexion by taking Cascarets,—beauty for ten cents. All druggists, satisfaction guaranteed, 10c, 25c, 50c. Congressman Tongue's friends are making a red-hot canvass in his behalf in the first congressional district. Mr. Tongue is worthy of it, because he is true to his friends. This is a principle worthy the emulation of any man. Cordray, the pioneer thespian of Portland in the line of "popular prices," has refitted the Washington St. theatre, formerly known as the "New Park," Cordray always has something new, and our people, when below, can spend a pleasant evening at his place. E. O. E. H. Clarke, the popular wool buyer, representing the well known firm of Christy & Wise, of San Francisco, arrived this morning preparatory to the purchasing of wool for his firm the coming season. For Constipation take Karl's Clover Tea, the great Blood Purifier, cures headaches, Nervousness, Eruptions on the face, and makes the head as clear as a bell. Sold by Conser & Warren. x The East Oregonian contains some interesting letters from the pen of J. P. Wager, who discusses the Portland situation from a democratic standpoint. Wager is a bright, brainy man and his opinion counts for something.
