BARDMAN ITEMS

Mrs. Levi Shaner is lying at the point of death.

Good showers have settled the dust and made the crops doubly sure.

Grain is doing well and the farmers are getting ready for a bountiful harvest. Not seeing anything in the way of correspondence from Hardman I thought I would send in a few items.

Stockman are getting in their bands As horses are coming up in price, these good republican times, it pays to look after them.

Since the election, war talk has been resumed on our streets. There are several Hardman boys who would like to get in to lick Spain. Anson Wright has taken his bands of

sheep to the mountains. He has 5,000 men to care of them.

Ed. Pedigo, Clyde and Iven Royse dug out a coyote den a short time ago, unearthing an old one with a lot of cubs. neighborhood. The young men reduced the coyote tribe considerably before they completed this TIM HAYSEED. Hardman, Or., June 13, 1898.

A Remarkable Case. The following case was printed originally in the Monitor, a newspaper published at Medford, Ontario. Doubts were raised as to its truthfulness, consequently a close watch was kept on the case for two years and the original statement has now been completely

Mr. Petch had been a hopeless paraly tic for five years. His case has had wide attention. He was confined to his bed was bloated almost beyond recognition, and could not take solid food. Doctors called the disease spinal sclerosis, and all said be could not live. The Canadian Mutual Life Association after a thorough examination, paid him his total dis-ability claim of \$1,650, regarding him as

was a slight

little feeling in his limbs. Paid His Claim. This extendreely and vigorously through his body.

A reporter for the Monitor recently called on Mr. Petch again and was told: my cure being permanent. I am in Warren, better health than when I gave you the first interview and certainly attribute

the day I was induced to take them." Such is the history of one of the most remarkable cases in modern times. In

nodern medicine? These pills are sold by all druggists and are considered by them to be one of the most valuable remedial agents known to science.

Is not the case, in truth, a miracle of
