in wounded Cubans by scores, but only knew a little, as well as "Jim" Budd, or gentlemen took from one seam about Portland to Eastern Cities Without 30 killed, including some wealthy officers understand this administration right, it violed over a hundred dollars in relice on this place in the rear of our army, them after "Jim" Budd gets through. where they can be healed and equipped

Oh, say! I wouldn't have missed this expedition for ten years of my life. Why, this town ten days ago contained 1,600 Spanish soldiers in the 20 block houses, which are on the mountains around the town. But our navy put a balf dozen explosives in each block house and shot the artillery completely out of and off from the parapets on which they were mounted. Then the Spanish burned the precipitately that they destroyed nothing. One funny thing happened; they engine at the waterworks, but in two branch of Uncle Sam's army. the mountains, where they ware loaded on at home, around Santiago. Our troops are not bombarding the city, they are just lying still behind the actiborha on the crest hoping this will find you in good health, of the mountains around the city and the Spanish forces are wasting their ammunition by firing over them. We are putting our forces in position and getting stronger every day, getting more grub, which is a great necessity, while pect to be in Santiago, though there will
