

Poor and Weak

Catarrh and Bronchial Trouble—Had no Appetite—Now Better in Every Way—A Delicate Child. "Some time since I took a sudden cold and could not get rid of it. Being subject to catarrh and bronchial trouble I coughed terribly. I lost my appetite and grew poor and weak and I did not feel like work. I began taking Hood's Sarsaparilla. In a short time the cough disappeared, I slept well, had a good appetite and I was better in every way. Last spring I was not feeling well, I had no appetite and no strength. I resorted to Hood's Sarsaparilla and soon felt more like work. My little nephew was a delicate child and had a humor which troubled him so he could not rest at night. He has taken a few bottles of Hood's Sarsaparilla and now he has a good appetite and is able to sleep." Miss Annie J. FREEMAN, South Duxbury, Mass.

The wonderful fighting of the first three days of July around Santiago is described by expert writers in the Review of Reviews for August.
