TUESDAY, OCT. 11, 1898.

JOSEPH SIMON SENATOR.

een "Charles Danby, Chins," for 13 years, for The senatorial fight is at an end. Mr. Dauby has been the representative of the United States at Pekin for that period, with only Henry W. Corbett awoke to the ne leave of absence-four years ago. He was realization of the disapproval of asked to tell something of the social, moral and his election not only by a majority of the senate and house, but by the with the people of the United States. He said: voters of the state, and in behalf of harmony for the republican party tendered his resignation. Senator McBride, with his forces, alue to me entered the caucus, which, on the first ballot, gave Hon. Joseph Simon 34 votes, whereupon Senator Fulton arose and moved that asked for a bill of particulars. I told the Tsungthe nomination be made unanimous. The election is by no means satisfactory to the majority of those in opposition to Corbett, but they, htp for the United States." as reprepresentatives and men, recognize the fact that they were outgeneraled and gracefully acquiphatically, "No." He said there was no doubt esce in the result. While Joseph we could do it if we wanted to. "But that," he Simon is without doubt a very able man, in the prime of life, and capa-"I hope we shall keep the Philippines. They are ours by right of conquest. This war was ble of advancing the interests of started on humanitarian grounds. That's all Oregon and the Pacific coast, the very well. But war is not a humanitarian institution. Neither is diplomacy. Diplomacy is methods of himself and allies, condoing the best you can do for your own country. stituting the political "machine" of "The United States cannot go around like a knight-errant redressing the wrongs of the peo Multnomah county, have been such ple of other nations. We cannot undertake to as to thoroughly discourage and force liberty and equality on the rulers of the oppressed. If we did, we should have all Eu disgust members from various sections of the state, which is alone us some \$400,000,000. We cannot make Spain responsible for the lack of harpay us a war indemnity. That is what the namony in the ranks of the repub- tions of Europe would do. We are the conquerors. We can name our own terms.
