Congressman From Utah May Not Be Allowed to Take His Seat,

Washington, Nov. 24,- Many persons in Washington believe Representativebe ejected from the house of representatives if the charge that he is a polygamist, living openly and avowedly with more than one wife, can be sustained. During the congressional canpaign in Utah Mr. Roberts, who was the democratic candidate, was charged with being a polygamist and with living with more than one wife. It was said be had admitted be was practicing poloygamy, and defended his action on the ground that it was permitted by his

The anti-polygamy laws of congress apply, however, to the District of Columbia, and it is possible that Mr. Roberts, if he is a polygamist, might be liable to arrest and punishment here. These laws have been constructed by the above district courts in several cases, but law- designate vers here do not believe they would apply to an offense committed in Utab. Should Mr. Roberts bring more than one wife to Washington with him, however, it is believed he would be liable to prosecution.

Robbed the Grave. A startling incident of which Mr. John Oliver of Philadelphia, was the subject, is narrated by him as follows: "I was in a most dreadful condition. My skin was weaker day by day Three physicians bad given me up. Fortunately, a friend advised trying Electric Bitters,' and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and now I am well man. I know they saved my life and robbed the grave of another victim." No one should fail to try them Only 50 cents per bottle at E. J. Love that Alters. Love is not love that alters when it alteration That is one of the sublimest lines in all

That is one of the sublimest lines in all literature. It is the final definition of love by the world's greatest reader of the human mind.—Shakespeare. Nearly all women who truly love, love in this sublime way. Men seldom do.

Woman's most glorious endowment is the power to awaken and hold the pure and honest love of a worthy man. When she loses it and still loves on, no one in the wide world can know the heart agony she endures. The woman who suffers from weakness and derangement of her special womanly organism soon loses the power to sway the heart of a man. Her general health suffers and she loses her good looks, her attractiveness, her amiability and her power and prestige as a woman. Dr R V Pierce, of Buffalo N V, with the assistance of his staff of able physical bility and her power and prestige as a woman. Dr R V Pierce, of Buffalo N.V., with the assistance of his staff of able physicians, has prescribed for many thousands of women. He has devised a perfect and scientific remedy for women's allments. It is known as Dr Pierce's Favorite Prescription. It is a positive specific for all weaknesses, diseases, disorders, displacements, irregularities, and debilitating drains peculiar to women. It purifies, regulates, strengthens and heals. Medicine dealers sell it, and no honest dealer will advise you to accept a substitute that he may make a little larger profit.
