BABY'S SMOOTH, FAIR SKIN

A Grateful Mother Writes this Letter— Tells all about Her Troubles when Baby Broke out with Scrofula Sores.

"At the age of two months, my baby began to have sores break out on his right cheek. We used all the external applications that we could think or hear of, to no avail. The sores spread all over one side of his face. We consulted a physician and tried his medicine, and in a week the sores were gone. But to my surprise in two weeks more another scrofulous looking sore appeared on baby's arm. It grew worse and worse, and when he was three months old, I began giving him Hood's Sarsaparilla. I also took Hood's Sarsaparilla, and before the first bottle was finished, the sores were well and have never returned. He is now four years old, but he has never had any sign of those scrofulous sores since he was cured by Hood's Sarsaparilla, for which I feel very grateful. My boy owes his good health and smooth, fair skin to this great medicine." Mrs. S. S. WOODRUM, Farmington, Delaware. Get only Hood's

Bishop, assignee of the estate of G. W. Swaggart, gave in his final account to the circuit court at its special session Tuesday, which was accepted, and he was ordered to distribute the funds on hand to those entitled to it. Testimony in the contest case of David H. Henshaw against Frank McIntyre for the S 1/2 of NE 1/4 section 24 and N 1/2 of NE 1/4 of section 25 township 3 south, range 26 east was taken before Vawter Crawford, county clerk, on Friday last. At the special session of the circuit court, on Tuesday, there were no criminal cases tried, and the docket was cleared of most of the law and equity cases. Those not attended to will probably have to wait over until the May, 1899, regular term. "In the morning by the bright light," in the evening at the "Redlight," where John Rasmus continues to dole to his patrons those sparkling beverages, which "banish melancholy and drive dull care away." Drop in; warmth greets you these fall and winter evenings. Rev. Shelby, pastor of the Christian church, will deliver a sermon next Sunday evening entitled "Christ-mas." After the sermon he will administer the rite of baptism. He has not decided what his morning subject will be, but we venture that it will be an interesting one. Harry Jones, who owns a ranch on Butter creek, came into the city this winter to give his daughter the benefit of our schools, but owing to sickness she has not been able to attend. His little 5 year-old boy is also sick with a cold and is under the care of Dr. Swinburn. Mike Roberts, at the Heivelders, having remodelled the popular old-time corner, extends to the public a cordial welcome. The beverages he dispenses will be kept up to the highest standard, and the enlargement and comfortable equipment of his billiard parlors and club-rooms are a drawing feature. 92-11

W. E. Brock, with a lantern in hand attempted a "pinwheel" last Saturday night on the walk adjoining the house. The attraction of gravity was too great, and on the first half turn his head came in contact with the ground, while the lantern hit him on the forehead, rendering him insensible. Members of the family brought him back, the usual way, as well as the neighbors. He laughed his appreciation of the joke, and promised to use his skates for the next exhibition.

Christmas Cantata. At the Christian church, on Monday evening at 7 o'clock sharp, there will be rendered by the Sunday school a most enjoyable cantata for old and young, entitled "Christmas Eve at Grandpa's". The work of preparing this play for presentation has been going on for some time, and the performers are of the Sunday school of this church, with Mrs. Bartholomew as prompter. It is sure to be a success so far as the cantata is concerned, and there will undoubtedly be a large attendance. As it is gotten up entirely for the benefit of the Sunday school, an admittance fee of 10 cents will be charged. The same evening little presents will be presented to the scholars, as gifts of love given for the sake of the time for which this is a commemoration. It has been decided to have no tree, on account of the space which it would require, but rather to have the presents handed out by Santa Claus, who will be engaged for this special occasion.

At Last. We have secured the agency for kid gloves that we can highly recommend. We believe that there is no better gloves made for the price, viz: \$1.25 and \$1.50. Just the thing for a Xmas gift. Minor & Co.

CHRISTMAS EVE. Programme Arranged—Committee Hard at Work. A decided interest is manifest in making the Christmas tree event at the opera house Saturday evening a brilliant success. The members of the respective committees are working with a vim, and the little folks will have occasion to remember old Santa Claus all their days. The little girls and boys must be present, and if Santa Claus overlooks them it is because their papers or names or friends failed to give their name to the "jolly old soul." Distribution of presents will begin at 8 o'clock sharp. Rev. Shelby will make the opening address, and Vawter Crawford has the honor as master of ceremonies, while the committee are as follows: Music—Misses Julia Hart and Bertha Cate; Children—Mrs. Dr. Vaughan, Mrs. John Rasmus and Mrs. Pfeifer. Henry Blackman, secretary; Lena Briggs, treasurer; Ed Day, J. D. L. Van Winkle, Tyler. Installation of these officers will take place on next Tuesday evening, St. John's day, at 7 p. m. sharp. An interesting event is in store for these present.

Akers leaves for Lone tomorrow night, and after spending Christmas with his parents will organize a class in music in that city. Mr. Akers will be missed from the musical circles of Heppner during his stay there from the fact that he is our dependent and we will welcome his return and wish him a successful term in Lone.

County Commissioner Howard came in Tuesday from Butler creek being entrusted with the responsibility of securing presents for a Christmas tree to be given Christmas eve at the Pine City school. A program has been arranged for a general good time in which the entire community is taking an interest. The event will conclude with a bountiful spread. W. E. Brock, with a lantern in hand attempted a "pinwheel" last Saturday night on the walk adjoining the house. The attraction of gravity was too great, and on the first half turn his head came in contact with the ground, while the lantern hit him on the forehead, rendering him insensible. After moving around two or three times they finally settled on Butter creek about 15 years ago.
