HOW TO WASH YOUR FACE.

Here's a Way That Will Insure a Girl a Good Complexion.

Telling girl's "How to be pretty Spokane was placed in service on the Snake river between Riparia and Lewiston with double daily service, and is provided in the transport. He expects to stay here two days at least, and he may go to though plain," Mrs. Humphry, in the Pinar del Rio. The trip to Cientuegos and continuous residence upon and cultivation of said land, viz: Patrick Doherty, John Doherty of Vinson, Ore., James Melatire, of Heppner Ore., and Barney P. Doherty, of Lexington, Ore. and Barney P. Doherty, of Lexing now operated as a through mail, express will be made overland, the transport any girl a good complexion who will and passenger steamer, making round going around the west end of the seland wash her face every night and morning, trips daily except Saturday. Leaves so as to be able to take the secretary and twice a day besides, according to ber directions: "The water must not be quite cold in winter, and soap used but ton at 2:30 p. mf., arriving at Riparia at for rest and partly for purposes of in- once a day. The fingers are better than 7 p. m. The steamer Lewiston will take spection. He desires to get information any sponge or glove or flannel, and they No. 4255, dated February 26, 1892, upon the north the place of the Spokane on the same at first hand with regard to Cuban affairs should be used as the the masseuse uses hers, pressing them firmly but gently into the skin, and passing them two or the 15th day of April, 1809, at 10 o'clock a. in. three times over every inch of the face. More particular pains should be devoted to the corners, where dust is slways Senator Frye Thinks We Should Steer Clear liable to lodge, around the eyes, nose and mouth. If a washeloth is used it should be of the softest and finest, and plenty of water should be applied after the soap so as to wash it all away. The drying process should be equally thorough and effectual, a burried rub opening the way to all sorts of roughnesses and chappings. Not one girl in twenty knows how to wash her face, and that is the reason why massage flourishes. It thoroughly cleanees."

and unhappy she is practically dead. The young woman to whom the future is a dreary waste, the young wife who is a helpless, nervous invalid, the mother whose babes are a burden inthe mother whose babes are a burden instead of a blessing,—all these, unless they take the right measures to recover their health, are better dead than living. In the majority of cases these ghosts of women owe their condition to weakness and discase of the distinctly feminine organism. Frequently they have been deceived by the incorrect diagnosis of some obscure physician and do not understand the true nature of their trouble. It only costs a two-cent postage stamp for a woman to write and describe her condition to Dr. R. V. Pierce, an eminent and skilful specialist, for thirty years chief consulting physicalist, for thirty years chief consulting physicalist. R. V. Pierce, an eminent and skilful specialist, for thirty years chief consulting physician to the Invalids' Hotel and Surgical Institute of Buffalo, N. Y. He will answer letters from ailing women without charge. He is the discoverer of Dr. Pierce's Favorite Prescription, the greatest of all known medicines for women. It acts directly on the delicate organs concerned in maternity and makes them strong in maternity and makes them strong, healthy and vigorous. It banishes the in-dispositions of the auxious period and makes baby's coming easy and almost painless. It cures all disorders and dis-

placements and checks exhausting drains. "Previous to motherhood my wife was very sick," writes Dennis H. Connelly, Esq. of Clear Water, Wright Co., Miun. "Two bottles of Dr. Pierce's Favorite Prescription made her well
