A LITTLE SUFFERER

Face, Hands and Arms Covered With Scrofulous Humors—How a Cure Was Effected.

"When five years old my little boy had scrofula on his face, hands and arms. It was worst on his chin, although the sores on his cheeks and hands were very bad. It appeared in the form of red pimples which would fester, break open and run and then scab over. After disappearing they would break out again. They caused intense itching and the little sufferer had to be watched continually to keep him from scratching the sores. We became greatly alarmed at his condition. My wife's mother had had scrofula and the only medicine which had helped her was Hood's Sarsaparilla. We decided to give it to our boy and we noted an improvement in his case very soon. After giving him four bottles of Hood's Sarsaparilla the humor had all been driven out of his blood and it has never since returned."

WILLIAM BARRY, 418 South Williams St., South Bend, Indiana.

You can buy Hood's Sarsaparilla of all druggists. Be sure to get only Hood's.

I. O. O. F. AT IONE.

Ione, Hardman and Heppner Lodges Join in Celebrating the 80th Anniversary.

The 80th anniversary of Odd-fellowship in the United States of America was fittingly observed by an appropriate celebration at Ione yesterday in which the Ione Lodge was joined by Lone Balm Lodge of Hardman and Willow Lodge, of Heppner, and not a small number of visiting brethren from other localities. A nice program had been prepared by the Ione Lodge, and it was carried out to a "T," and had the day been less windy and a little less amount of sand flying in the air as a consequence thereof, there was nothing lacking to make the entertainment of the visitors complete. On the arrival of the train from Heppner, the different lodges and the Rebekas were formed in line and headed by the Ladies Cornet Band of Heppner, marched to the Congregational church, where the lodges and a large audience of the citizens of Ione were entertained by an able address on O. I. I. fellowship, delivered by Hon. J. A. Le Roy, grand lecturer of the order. At the conclusion of the exercises at the church, a spread was served the visitors and their friends in Woolery's warehouse, this feature closing the program for the day so far as the Odd Fellows were concerned.

In the evening at Walker's opera house, a very creditable entertainment was given by the Ione Dramatic Co., under the management of Dall Knowlton, the proceeds of which goes into the treasury of the Ione Lodge, I. O. O. F.

Over 50 Odd Fellows and others went down on the train from Heppner, and all express themselves as well pleased with the reception given them by Ione's people, their only regret being that the weather was not more pleasant, and we are sure that this was as distressing to the good people of our neighborhood as it was to the visitors, and matters of this kind, over which we have no control must be borne as pleasantly and patiently as possible.

DIED IN PORTLAND.

Samuel Donaldson, a Pioneer of Morrow County, Passed Away.

On April 22, Samuel Donaldson died at the Good Samaritan hospital in Portland, where he was a week previous to recover from serious complications, resulting from an attack of grippe. His remains were brought to Heppner on Monday night's train and awaiting the arrival of members of the family, were interred in the Heppner cemetery on Wednesday. Rev. Shelley preached the funeral sermon at the Christian church and the Masonic rites were administered at the grave.

He came to the Pacific coast in 1853, remaining in California until 1864, when he married and settled in Marion county, Oregon, finally coming to Morrow county in 1872. Here he accumulated considerable property, and at one time owned the Wright place above town. He left several grown children, among whom were Mrs. Wait Richardson, his own daughter, and Mrs. Andy Tillard, Mrs. Nellie Barnes, Mrs. W. C. Brown and Miss Estella Rhea, his step children. His wife, now living at Fossil, also survives him, who, unfortunately, owing to her being an invalid, could not be present at the funeral.

Whereas, the members of Lexington Assembly No. 88 of United Artisans, saddened by the bereavement that has fallen to the lot of our esteemed brother Milton Fuqua, desire to express their sympathy for him, and for the children incapable of realizing the great loss that has come to them so early in their earthly journey, now therefore be it

DECIDED SUCCESS.

The Public School Entertainment Thoroughly Enjoyed.

The entertainment given at the opera house by the school children last Friday evening was a success in every particular, and the public turned out en masse, which was encouraging to the teachers, who have succeeded in developing talent among the little ones affording the community an entertainment equal in interest to any first class traveling company, and it is safe to predict a big house at any future occasion.

Sheriff Matlock's Condition.

The many friends of Sheriff Matlock are feeling much concern as to the result of a strange malady that has developed with him within the past few weeks, upon the diagnosis of which the doctors are as yet ununited. Dr. Wm. B. Clark, a specialist from Indianapolis, well recommended, arrived here Saturday spending several days studying its nature, and left the sheriff somewhat encouraged, with an expression of a probable cure through treatment he would prescribe from the Indianapolis dispensary. The sheriff, although about town, is in a weakened condition preventing him from the active requirements of his office, and he has sworn in as his deputy S. F. Florence, who will attend to the business necessitating traveling.
