He is especially pleased with the conviction of Ole Oleson, at Roseburg, as he says this man had a gang of eight assistants who slaughtered deer by wholesale, just for their hides. Where Will We SpendOur Summer Vacation

This is the time of year to think about it, but before you decide, write for an elaborate, illustrated pamphlet showing numerous photo engraved views of the many attractions at the seashore and en route, and advantages of the Columbia river becches as reached by the Astoria and Columbia River railroad. Three hours and thirty minutes from Union depot, Portland, to your beach hotel in a magnificent parlor car without change or transfer is a convenience and luxury few resorts can offer. Such is the initial attraction of this favorite resort.
