Archbishop Ireland Deplores Hasty Condemnation of France by America.
By the Associated Press.
ST. PAUL, Sept. 13.-Archbishop Ireland today, when asked for his opinion on the meeting to protest against the verdict of the Rennes court martial, said: "It is my belief that public meetings in America, such as it is proposed to hold for the purpose of protesting against the sentence of the Rennes court martial, are untimely, unfair to France and likely to breed regrettable ill feeling between that country and our own."

What this matter belongs to the internal life and to the internal administration of France, and international courtesy as well as justice bid us talk about it very carefully and very slowly.

France is a proud, sensitive nation. She will deeply resent, as it is her right, undue criticism and hasty judgment of her acts by a foreign people, and especially will she resent, as it is surely her right, any uncalculated interference with her internal administration and any imprudent challenging of her national honor.

France has been our friend of ages. She was our friend when no other nation befriended us. She is our friend today. She is a sister republic. We should pause long and seriously before blaming, suspecting or offending France. I can well understand and explain the present happenings in America.

The American people are most easily roused to sentiments of justice and humanity. Prudence, however, is the queen of all virtues, and we should strive to make it ours. In what I say, I speak as an American, for what I believe to be the good of America. I make no plea for France, although because I know France, I love her, despite her faults, and I hope for her, despite her perils."

Reports Get Abroad That Pendleton Has Many Smallpox Patients.
The East Oregonian under date of September 15th, says: Today came telephonic inquiries to Mayor Vincent, asking if there is truth in the report that Pendleton has 29 cases of smallpox. Another message came for information as to whether there are twenty cases. Another asked if there were nineteen.

At the present time, therefore, there is only one small case in Pendleton, and that one is under the best of care with minimum noise at a post house removed from all other habitations southwest of the city.

A GREAT HARVESTING RECORD.

The Grain on 1200 Acres is Cut in Thirteen Days.
COLFAX, Wash., Sept. 12.-Humphreys & Troop, of Steptoe, have made the record run for the season with headers. They cut 1200 acres in 13 days with two 12 foot headers on the farm of Lillis F. Smith, the wheat king of Endicott.

A steam thrasher followed the headers and the grain was threshed from the stack. Mr. Humphreys was in Colfax yesterday, and said that when he left Endicott Smith had threshed 16,000 bushels of wheat. He expects to have at least 30,000 bushels of grain this year.

TRIED TO BUY PEACE.
Commission Has Offered Aguinaldo Money to Quit.
New York, Sept. 15.-A special to the World from Ithaca, N. Y., says: Your correspondent is able to say on authority that the Schurman peace commission offered every inducement short of absolute self government to Aguinaldo and his followers.

With all these inducements, tempting as they must have been, Aguinaldo, as the recognized head of the insurgent movement, declined to yield. He insisted upon immediate self government and as his insistence was so firm as to make an agreement impossible, the American commissioners ceased negotiations.

President Schurman was frank in telling your correspondent a day or two ago that he favored giving to the various tribes the largest possible measure of home rule at the earliest moment. He thought the several tribes could administer their local affairs, elect their municipal officers, establish courts and penal institutions, etc., but he did not believe it possible to allow the natives to participate in the general government.

VANDERBILT DEAD.

He Succumbs to a Sudden Stroke of Paralysis.
By the Associated Press.
New York, Sept. 12.-Cornelius Vanderbilt died this morning at his home at Fifty-seventh and Fifth avenues in this city.

Everything possible was done for the patient but he grew rapidly worse and died at 5:15 o'clock. He was semi-conscious until his death.

Cornelius Vanderbilt, was born on Staten Island, November 29, 1843. William H. Vanderbilt, his father, was at the time a farmer, and Cornelius at the age of 16 left school and secured a place as messenger in the Shoe and Leather Bank.

Cornelius left the Shoe and Leather bank to go into the employment of Kissam Bros., bankers but later his grandfather asked him to enter the railroad service. The young man was making \$60 a month and declined to leave his place unless he got more money.

Vanderbilt's great business career made his life necessarily methodical and he was noted for his punctuality. He went to Europe last spring and came home on July 24, accompanied by Mrs. Vanderbilt and his daughter Gladys.

OREGON STATE FAIR OPENS.
More Than Six Hundred People in Attendance.
SALEM, Or., Sept. 16.-The state fair opened last evening most auspiciously, and the claim of the management that this state fair will be the best ever held bids fair to be borne out.

The program for today includes races, a balloon ascension, baseball, railroad men's horse race and a good musical and literary program in the evening.

A Large Dairying Plant, which will consume 1000 pounds of milk daily, while the fair lasts, is being installed. The agricultural and horticultural departments are in keeping with the others and furnish a practical and interesting lesson to visitors.
