

SHEEP SALES.
George Gray has bought of J. T. Hoskins 500 mixed yearlings at \$2.50; Chas White sold to Geo Perry 700 yearling ewes at \$3 after shearing; Wm Stabler bought of E F Hynd the Lindley lot of 800 yearling ewes at \$2.90; Tom Davidson, of Democrat gulch, on Tuesday shipped 300 6-year-old ewes to Portland. In the restaurants there they will have their ages soaked in alum-water and shrank up 5 1/2 years.

THE DREAD AND FOREBODING which almost invariably comes over a young wife just as the advent of the first little darling who shall call her mother, is one of the most natural burdens which civilization has imposed upon the privilege of motherhood. There ought not to be such an overwhelming sense of depression and weakness as a woman feels at that time and there would not be if she was in a perfectly strong and healthy condition. In thousands of cases motherhood has been dressed of all its dangers and a large proportion of its pain by the use of Dr. Pierce's Favorite Prescription, which is the most marvelous remedy ever discovered for restoring complete organic health and strength to the delicate special structure involved in motherhood. Taken early during the prospective time it makes the mother strong, energetic and cheerful and carries her through the period of trial with comparative comfort and ease. It increases the baby's natural constitutional vigor and adds to the joys of motherhood the supreme satisfaction of a strong, robust, lusty infant. "Favorite Prescription" is also the best supportive tonic for nursing mothers. Every expectant mother will appreciate what is said by Mrs. Pannie M. Harry, of Galesburg, Ill., 1545 Churchill Ave., in a letter to Dr. Pierce she writes: "I have used your medicines in my family for a long time, and find them to be all that is claimed. I cannot recommend them too highly. My confinement was made easy, as I experienced no pain during the time, and the first-born was the one that mothers fear so much. Besides, the medicine has helped me in many other ways. I would recommend all afflicted women to try Dr. Pierce's valuable medicine, and thus become well and strong."

ELKS' ELECTION.

R.; Henry Blackman, Estemed Leading Knight; Frank Roberts, Estemed Loyal Knight; D. A. McAtee, Estemed Lecturing Knight; Frank Gilliam, Treasurer; James Hart, Secretary; J. J. WHEAT, WOOL AND STOCK.
Portland, March 28.—The wheat market shows a wide range of quotations, and but few sales. For Walla Walla the general figure given out was 55¢/54¢, and about the same for Valley, with bluestem nominally 56¢/57¢. Exporters do not seem to be hampered for want of wheat, as the few ships coming along at the present time are turned out with the usual dispatch, but it is a difficult matter to buy wheat on a basis which will admit of any new tonnage being taken at the rates now asked for ships. Wool—Valley, 12¢/13¢ for coarse, 16¢/18¢ for best; Eastern Oregon, 16¢/18¢ mohair, 26¢/28¢ per pound. Sheepskins—Shearings, 15¢/20¢; short wool, 25¢/30¢; medium-wool, 30¢/50¢; long wool, 50¢/81¢ each. Chicago, March 28.—Cattle—Receipts 19,000 head. Market generally steady to 10¢ lower; natives, \$5.50; good to prime steers, steady, \$5.75; poor to medium, weak to 10¢ lower, \$4.60-75; selected feeders, about steady, \$4.40-4.80. Sheep—Receipts, 18,000. Sheep generally steady to 10¢ higher for best, lambs slow to 10¢ lower; good to choice wethers, \$5.75-6.00; fair to choice mixed, \$4.75-5.00; Western sheep, \$5.40-6.00; yearlings, \$6.00-30; native lambs, \$5.50-6.75; Western lambs, \$6.75-25 per 100 lbs. Boston, March 27.—Wool continues dull with light sales, although one or two large transactions in territory have helped to increase week's volume of business. The long period of dullness has had a tendency to weaken values, but dealers are not forcing sales and there is no material change in quotations. Montana and Dakota fine medium and fine, 22 to 23 cents; secured, 58 to 60 cents; staple, 65 cents.

TALENT IS HERE.
The recent performances of the Heppner Amateurs surprised people here, and showed that there is lots of good talent here. It should not be allowed to sleep, and people hope to see it on the stage again soon.

OREGONIAN REDUCED.
The Portland Oregonian is really the only paper in the Pacific Northwest that can offer to be a complete newspaper. The cash it pays out for dispatches alone every month would buy a good farm. You can get the daily delivered at your door in Heppner for 15 cents a week. The weekly costs \$1.50 a year, but by applying to the Heppner Gazette you can get both papers at \$2 a year, a reduction of a whole \$.

Stuffed Clubs.
The Heppner Gazette has arranged to stuff itself into a benevolent trust with other papers and thus give subscribers the benefit of reduced rates, as follows: Portland Oregonian and Heppner Gazette one year, \$2. Heppner Gazette and East Oregonian semi-weekly, \$2.75; weekly \$2.25. The Heppner Gazette office will furnish you any paper or magazine in the world at a reduced rate.

A Frightful Blunder.
Will often cause a horrible burn, scald, cut or bruise. Bucklen's Arnica Salve, the best in the world, will kill the pain and promptly heal it. Cures old sores, fever sores, ulcers, boils, felons, corns, all skin eruptions. Best pile cure on earth. 10¢ a box. Cure guaranteed. Sold by Conser & Warren Drug Co.

PEACE DECLARED.
Why devote all your time reading about the Boer war and the gold fields of Alaska? There are other matters of vital importance; you may make a trip east, and will want to know how to travel. In order to have the best service, use the Wisconsin Central Ry., between St. Paul and Chicago. For rates and other information, write Jas. A. Clook, general agent, Portland, Oregon.

NEW MILLINERY.
Mrs. L. J. Estee has just returned from Portland where she spent three weeks selecting choice pattern hats, trimmings street hats, latest novelties in neck wear, belts, combs, etc. She has a large and varied spring stock and can suit all from baby to grandma. She has also added a new line of ladies' furnishing goods, corsets, cotton underwear, bonnets, shirt waists, etc.

A Monster Devil Fish.
Destroying its victim, is a type of constipation. The power of this murderous melody is felt on organs and nerves and muscles and brain. There is no health till it is overcome. But Dr. King's New Life Pills are a safe and certain cure. Best in the world for stomach, liver, kidneys and bowels. Only 25 cents at Conser & Warren Drug Co.

LOCAL NOTES.
Dr. McSwains and C. E. Redfield have returned from Idaho, where they were the famous sheep case, although the legal talent of Utah was arrayed against them. James J. Adkins is down with grippe, and his daughter Maggie is a so sick. Mixed weather this week. Some March wind; much bright sunshine; raining now and everything growing.

Huston Bros., of Smile will to-morrow ship a carload of 1200-lb horses to Albany. If present conditions keep up, Morrow county will have to borrow ground from Western Oregon on which to stack its this year's grain crop. Lambing is now getting under good headway, and the increase is immense. Tom Davidson got 800 from 700 old ewes, and Dave Harren got 135 from 77 ewes, and everybody is reporting big increases with thousands of interior departments to hear from. Lewis Burke, of the Union Stock yards Portland, shipped a carload of fat hogs from Heppner Monday, paying 54¢ cents on foot. They were furnished by Clark & Mathews, Bud Williamson and Mr. Kineman.

PHOTOS AT 25 CENTS A DOZEN.
D. D. Wilder, the leading photographer of The Dalles, will be in Heppner for a few days, making photos as low as 25 cents per dozen. This is a new invention, the Multigrain, giving four different positions in the dozen, and but few are successful operators. Gallery is located in the first building below the brewery.

LUMBER.
Much building and improving is going on in Heppner and vicinity, and more is being figured on. The lumber yard of Wills & Patterson is well stocked up and ready to furnish anything in the building line. These enterprising gentlemen also do a general real estate and insurance business. Their new enterprise is named the Heppner Lumber Co.
