April 29th In the date that the Northern Pacific inaugurates its new double train service daily. A. D. Charlton, A. G. P. A., at Portland, will answer all questions asked him about it. Write him for our North Coast Limited leaflet.

TRAILING SHEEP.

The Oregonian contains the following interesting story: J. I. Carson, a well-known sheep-drover, is in Portland preparing to start "on the trail" with 8500 yearling wethers, purchased in Morrow county, from Messrs. Elder, Hager and Wheatstone.

Mr. Carson says he will start his big flock early in May, just as soon as the sheep have been shorn. He will probably ship by train from Heppner to Huntington, and ferry across the Snake river near the terminus of the O. R. & N. He has not yet solved the problem as regards crossing Wyoming, as the new quarantine law of that state was framed to prevent sheep "trailing" across its government lands.

He thinks this will be the last band of sheep trailed across the state of Idaho, as the Snake River Plains are now nearly all claimed for range, and the water has been about all taken up. In one locality he will have a 25-mile drive between watering places, and as six miles a day is a fair day's travel, the sheep will have to go without water for a great part of the time.

Mr. Carson has been purchasing Oregon sheep for the "trail" for quite a number of years, but never had to pay as much for them as now. "Five years ago," he said, "I bought all the yearlings I wanted at \$1 a head in Eastern Oregon, and drove them through to Central City, Nebraska, where I had them fed on corn that cost 8 cents a bushel, and on hay at \$2 a ton delivered. And yet our firm made no money out of the transaction—just came out even. We hope to make more money now than ever, although we pay top prices for the sheep, and fodder costs a great deal more than it did then."

Working Night and Day. The busiest and mightiest little thing that ever was made is Dr. King's New Life Pills. Every pill is a sugar coated globe of health that changes weakness into energy, listlessness into energy, brain-fog into mental power.

Reduced Rates. The O. R. & N. Co. will give a special rate of one and one-fifth fare to those delegates or members of their families attending Rebekah Assembly, Grand Encampment and Grand Lodge, I. O. O. F. at Astoria May 22-25.
