Cleaning House

Once or twice a year the good housewife has a thorough house cleaning. The house has been swept and dusted every day in the year, but the housewife knows that in spite of vigilance dust accumu-

lates in cracks and corners, and is only to be removed by special effort. It's the same way with the body. You look after it every day. You take all the ordinary precautions of cleanliness and health. Yet the body needs its merical cleaning to rid it of the account special cleaning to rid it of the accumulations of waste and poisonous matter which invite disease. Doctor Pierce's Golden Medical Discovery, taken regularly once or twice a year, would save many a sickness. It purifies the blood, strengthens the stomach, and cleanses the body of poisonous accumulations.

away entirely."

"Last spring I had a severe attack of pneu-monia, which left me with a bad cough, and also left my lungs in a very bad condition." writes John M. Russell, Esq., of Brent, Cherokee Nat., Ind. Ter. "I had no appetite and was so weak I could scarcely walk. My breast was all sore with running sores. I gottwo bottles Dr. Pierce's Golden Medical Discovery, which I believe saved my Hfe. I cannot express my good work."

Dr. Pierce's Medical Adviser, in paper covers, sent free on receipt of 21 one-cent stamps to pay cost of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

BROME GRASS

In many places Brcme grass been in the mountains so long without has been given a pretty thorough a change that he has decided to spend test, and it seems to be the grass the summer in Portland by way of refor Eastern Oregon. WEBFOOT WEATHER.

The average weather in Portland during the month of May for the past 29 years has been as follows:

Mean of normal temperature, 57 deg.; the warmest month was that of 1888. with an average of 62; the coldest month was that of 1899, with an average of 52; the highest temperature was 99, on the 29th, 1887; the lowest temperature was 33, on the 23d, 1878; average date on which first "killing" frost occurred in autumn, November 26; average date on which last "killing" frost accurred in spring, April 11.

Precipitation (rain and melted snow) -Average for the month, 2.39 inches.

Prevented a Tragedy.

Timely information given Mrs. George Long, of New Straitsville, Ohio, preventa dreadful tragedy and saved two lives. A frightful cough had long kept her swake every night. She had tried many remedies and doctors, but steadily grew worse until urged to try Dr. King's New Discovery. One bottle wholly cured her,

SETTLERS WIN.

Judge Bellinger, in the U.S. Circuit Court, has rendered a decision in the important case of the U.S. vs the Oregon & California Railroad Company. The suit involves the title of some 30 and all arrangements made to begin settlers to claims which, with the improvements thereon, aggregate in value about \$100,000, and on which these settlers have had their nomes all the way from eight to 42 years. The suit was really in the interest of the settlers, which are identical with those of the United States, and the decision being in their favor, will bring joy to a large
