Springtime

Is the sweetest season in human life, as Is the sweetest season in human my as it is in Nature generally. It is the time of promise. Nature generally needs some little help at this critical period, and this help in its best form is contained in Doctor Pierce's Favorite Prescription. I took eight bottles of 'Favorite Prescription' and 'Golden Medical Discovery,' six vials of the 'Pelleta,' also one bottle of your 'Compound Ratnet of Smart Weed.' As soon as I had taken the first bottle I could see that the med'-ine was helping me. I had disease of internal or-gans with bronchitis and catarrh. I also used the local treatment you suggested."

The sluggish liver can be cured by the use of Dr. Pierce's Pleasant Pellets.

Mrs. Allen was the mother of 6 children, who all lived to grow up. In raising her family she always seemed to have plenty of time to keep their little faces clean, bright and beautiful, at least to me, and she instilled habits of cleanliness in their minds that will last as all skin eruptions. We were among the very first families to settle permanently in attest to Mrs. Allen's skill in preparing a wholesome and palatable meal, and many have gone away rejoicing that they stopped here.

But she had to go, and in going has left a void in our hearts and itself can never fill.
