

Hopeless and Helpless.

The consequences of a diseased condition of the stomach and digestive and nutritive system are most disastrous to the whole body. One by one every organ may become involved. The misery is unending. The most extreme cases of "stomach trouble" and the evils resulting from it have been cured by Dr. Pierce's Golden Medical Discovery. It strengthens the stomach, purifies the blood and builds up the body with sound healthy flesh.

VOTE RIGHT.

Every ballot cast in Oregon June 4 is a vote for or against the development of the Pacific Coast, says the Oregonian. It is a responsibility one might wish to evade, but there is no help for it. A sweeping Republican victory will declare for retention of the Philippines and Pacific expansion. A Fusion victory or a reduced Republican majority will declare against expansion and for abandonment of our foothold in Asia.

The Oregonian has obtained opinions from three men whose judgment on the matter cannot be impeached. Senator Lodge, chairman of the Senate committee on the Philippines, asked what the effect would be in the Philippines should Oregon go Democratic this time, says:

"It would encourage the opposition to the American Army in those islands. The Filipinos would accept it as the first gun of victory in the United States for them, and it would be hailed everywhere as an indication that the sentiment of this country is against the policy we have been pursuing in the Philippines. It would simply encourage the insurrection which has almost been stamped out."

Senator Carter, of Montana, says: "A Republican reverse in Oregon on the platform adopted would fan the flames of rebellion in the Philippines, cost the lives of many more brave soldiers and would no doubt necessitate a large increase of the Army there at a still greater expense than before. The Tagals would hail a Democratic victory anywhere as an indorsement of their opposition and resistance to the United States."

Senator Spooner, of Wisconsin, one of the most conservative and ablest men in the Senate, says: "Democratic success in Oregon means encouragement to the Filipinos. And that is something greatly to be deplored. The United States cannot enter upon any scheme to organize and form a stable government in the Philippines until the insurrection has been put down and peace prevails. Even the Democrats in the Senate recognize this, and we all know that Democratic success anywhere in a Republican state will be used in the Philippines to encourage further acts of insurrection."

The State of Oregon must elect a Republican Legislature. The first Congressional district must re-elect Representative Tongue, and the Second District must re-elect Representative Moody.

Every vote for a Fusion, Citizens or Independent candidate is a vote to shut American trade out of Asia and stifle the development of the Pacific Coast.

WOOL.

A little over 1,000,000 pounds of wool is now in the Heppner warehouses. Two buyers are now in Heppner, but no sales reported as yet. The first sale at Yakima was 350 ba's yesterday at 11 1/2c. Of course it was sandy, and does not compare with Heppner wool.

NO POLITICS

Recorder J. P. Williams seems to be the only regularly nominated candidate for justice of the peace, and his many friends of all political parties are preparing to cast their ballots for him regardless of politics.

"It is with a good deal of pleasure and satisfaction that I recommend Chamberlain's Colic, Cholera and Diarrhoea Remedy," says Druggist A. W. Sawtelle, of Hartford, Conn. "A lady customer, seeing the remedy exposed for sale on my show case, said to me: 'I really believe that medicine saved my life the past summer while at the shore, and she became so enthusiastic over its merits that I at once made up my mind to recommend it in the future. Recently a gentleman came into my store so overcome with colic pains that he sank at once to the floor. I gave him a dose of this remedy which helped him. I repeated the dose and in 15 minutes he left my store smilingly informing me that he felt as well as ever.'" Sold by Conser & Warren.

BEAUTIFUL BUTCHERY.

It takes French enthusiasm to go into raptures over anything on the slightest provocation. There is Mademoiselle Guilbert, the French actress who used to enthuse Heppner audiences with her general vivacity, and made a great hit at Cordray's in the Snobs of Tennessee. She had been overdone the tight-lacing act, and was still dissatisfied because her waist insisted on bulging out as big as a pump-handle. So she had one of her kidneys cut out at Paris, and in describing the operation she went into raptures and said: "O, it is all so beautiful! So splendid! So magnific! They cut a button-hole in your back just big enough to let out the kidney, of which the doctors relieve you as easily as though it were a useless piece of furniture. Then they sew up the button-hole again, and there you are. I shall have only one kidney when I re-appear at the Marquand-Grand as leading villain for George Baker, but my waist will be an additional attraction. O, it is all so grand!"

THE EIGHTH GRADE FINAL EXAMINATION

will be held in St. Shipley's office beginning at 9 a. m. May 24, and continuing 2 days.

Miss Florence Newman, who has been a great sufferer from muscular rheumatism, says Chamberlain's Pain Balm is the only remedy that affords her relief. Miss Newman is a much respected resident of the village of Gray, N. Y., and makes this statement for the benefit of others similarly afflicted. This liniment is for sale by Conser & Warren.

One bottle gave great relief. I continued to use it and now am well and strong. I can't say too much in its praise."
