

FIGHTING FILIPINOS.

Manila, June 23.—A detachment of our officers and 100 men, of the Fourth infantry, with Captain Millar commanding, left Tagayan, on June 13, on reconnaissance up the Tagayan river and were ambushed by the insurgents in a strong position. Fifty men were sent to reinforce them but could not take the position, and the troops withdrew. Our loss was seven killed; wounded, nine men; missing, one.

A SPRING CHICKEN CO.

The attraction at the Opera House Monday night, July 2d, should prove a most powerful one. All the world loves to laugh, that is, the far greater portion of it, and laughter is to reign supreme. The play which is to be presented is called "A Spring Chicken," said to be one of the most amusing farcical comedies that has ever been presented on the American stage, and the company which is under the direction of Jordan and Mahara, is reported to be one of the best that has been playing together this season. The fun of the comedy lies in a young man telling his uncle that he is married and that he has a family, thereby getting money from him when he is only a jolly good fellow who couldn't keep a dollar if he tried. The uncle turns up and the young man has to find both wife and children, which is a very difficult matter to do successfully. Of course in the end everything is straightened out and all is forgiven, but during the action of the play the fun is fast and furious. There are a number of exceptionally clever specialties introduced and the company includes Rose Southernland, Bert Flatt, Mable Casey, Harry Armstrong, Edward Kimball, Dolline Cole, Ben Mitchell, and others.

Everything in the grocery line adapted to city trade is kept at Mat & C. Hart's, including pickles in bulk, saw & t and sour.

HEPPNER SHIPMENTS.

That Heppner is a very important shipping point may be seen from the following figures, which show shipments made by rail from here during the past year: Wool, pounds, 3,245,750; Cattle, cars, 220; Sheep, " 175; Wheat shipped out of Morrow county over Heppner Branch, bushels, 200,000.

WOOL.

The Heppner wool market continues slow. Fully 2 1/2 million pounds is now in Heppner warehouses, and still it is rolling in by wagon. There are three buyers here, Messrs. Fell, Lee and Wilkinson, and Frank Johnson, who has been sick in hospital at Boise, has written R. F. Hynd that he will be here in a few days.

Only a few recent sales are reported in Heppner. J. H. Barker has sold 12,000 pounds to Geo. Fell at 12 1/2c, and Frank Fields has sold his clip to Mr. Lee.

In Boston a dull market continues, with meager sales. Fine-medium and fine, scoured, is about 50 and 52c.

It was thought some years ago that the prospects were good for striking a big body of coal in Morrow county, south of Heppner. Coal was found, and some taken out, but although the Mattoon brothers worked very hard to develop their prospects, the results did not prove profitable.

It seems strange that in the vast region known as the Blue mountains coal has not been found and mined. The day may be coming when it will be, for four men are now pushing work on a vein seven miles up Birch creek from Pilot Rock. They have run a 436 tunnel in 50 feet on a coal vein 12 inches thick. There are indications of coal oil on the water that accumulates in the tunnel at night and the odor is very discernible.

The recent rains have made glad the hearts of Crook county farmers by assuring them a splendid crop of grain on unirrigated lands especially in the Haystack neighborhood where the prospects were never better.

Some misers without fear of man or the law set three forest fires on the west side of Deschutes between the Bend and Big Meadows one day last week which would have burned a large territory but for the timely rains.

Make your calculations to come to Heppner on the Glorious Fourth, and you will be glad you came. The day is not distant when every inch of land will be deeded and doled up in price. If you want to buy a good 324-acre place at \$5 an acre, call on J. W. Redington, Gazette office.

A man who owns 900 acres of good land and much other property wants to borrow \$3000 on 2 years' time at 8 per cent. Anybody who wants to make such a loan, send word to the Gazette office.

If you want to buy a real cheap ranch, call on or address Geo. Wells, Heppner. He has some places as low as \$1.25 an acre, and will mail printed description free on request.

TO END THE WAR.

Manila, June 21.—Two hundred Filipinos met this morning in Manila to determine honorable and decorous methods for securing peace. The result was submitted this evening to Gen. MacArthur, who accepted them. The leaders of the meeting will use their influence to induce Aguinaldo to accept this arrangement. If they are successful as they hope to be, they believe Aguinaldo will issue orders in conjunction with the American authorities for the cessation of hostilities.

The meeting, which is the first of the kind since the days of the Filipino congress, was composed of a distinct revolutionary element.

Two steam threshers with all modern improvements have been purchased by Haystack citizens in anticipation of the coming large harvest. The owners have adopted the cash system and will require payment for threshing when it is done.

My wife had hemorrhage of the lungs," writes W. A. Sanders, Esq., of Fern, Mason Co., W. Va. "She had ten hemorrhages, and the people all around here said she would never be well again. But she began to take Dr. Pierce's Golden Medical Discovery and she soon began to gain strength and flesh. After taking ten bottles she was entirely well. If any one doubts this, they may enclose self-addressed envelope with stamp, and I will answer."

Sick persons are invited to consult Dr. Pierce by letter free of charge. All correspondence strictly private. Address Dr. R. V. Pierce, Buffalo, N. Y.

In recently writing from there he said: "I am glad to learn of the continued good times in Eastern Oregon. The hard times did not hurt this section as they did the West. I enjoy the Heppner Gazette very much, as it is like a good letter from my old Oregon home. I send the best wishes for Heppner's prosperity."
