Robbed the Grave. A startling incident, of which Mr. John Oliver, of Philadelphia, was the subject, is narrated by him as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite-gradually growing weaker day by day. Three physicians had gived me up. Fortunatele a friend advised try-ing 'Electric Bitters;' and to my great joy and surprise, the first bottle made a man. I know they saved my life, and robbed the grave of another victim." No one should fail to try them. Only 50c, guaranteed, at Conser & Warren Drug Co. subscriptions may be left.

It Happened in a Drug Store.

"One day last winter a lady came to my drug store and asked for a brand of cough medicine that I did not have in stock," says Mr. C. R. Grandin, the popular druggist of Ontario, N. Y. was disappointed and wanted to know what cough preparation I could recommend. I said to her that I could freely recommend Chamberlain's Cough Remedy and that she could take a bottle of the remedy and after giving it a fair trial if she did not find it worth the money to bring back the bottle and I would refund the price paid. In the course of a day or two the lady came back in company with a friend in need of a cough medicine and advised her to buy a bottle of Chamberlain's Cough Remedy. I consider that a very good recommendation for the remedy." It is for sale by Conser & Warren.

SLEEPS WELL.

"Yes, indeed, I sleep well now. No more nightmares for me," said Jas. Ritter yesterday as he happily beamed on people he met. Then he went on to "The cause of my resting easy and whistling as I go is that I have just bad my life insured by L. W. Briggs, and the low price of \$850. Apply at Gazet now if I die my wife and little ones are sure of money enough to carry them along for years."

When you eannot sleep for coughing, it is hardly necessary that any one should tell you that you need a few doses of Chamberlain's Cough Remedy to allay the irritation of the throat, and make sleep possible. It is good. Try it. For sale by Conser & Warren.

WHEAT, WOOL AND STOCK.

Portland, Oct. 10. Wheat market was weaker in Europe and the East yesterday, with not enough doing locally to make much difference in prices. Exporters were still quoting 55 cents for Walla Walla, but it required a fraction above this figure to move very much wheat. Eastern buyers are reported to have bought consideral bluestem in the interior, and this has stiffened the market on this grade slightly. Valley continues in the hands of the millers, as they are in a position to pay better prices that exporters.
