Col. Roosevelt will have lots of worrying as president of the Senate, but let us be thankful that his troubles will never be added to by his seeing the miserable tail-spot printed as his picture in the Heppner Times.

INSPECTING STOCK.

Henry Scherzinger, stock inspector of Morrow county, brought his sheep out of the mountains Friday, and they are now feasting on the good grass of the home range. He has 3000, mostly lambs, but lost 35 by coyotes in one night near Hamilton.

Henry will soon start out on his official inspection of all the stock in Morrow county. Being a practical pioneer sheepman, he knows the location of every band. He will have some very long, tiresome rides, but he has a good tough horse, he knows every acre of Morrow county, and his inspection will be very thorough.

BAR.

A grapevine telegram just received says that a terrific encounter occurred last evening in the mountains at head of Dutch Billie creek, where Oscar Minor and Dave and Willard Herren had gone to hunt a bear. It seems that they found a big silver-tip who was full of fight, and it took all their skill as experienced bear-hunters to wind up his career.

Volcanic Eruptions

Are grand, but skin eruptions rob life of joy. Bucklen's Arnica Salve cures them; also, old, running and fever sores, ulcers, boils, blains, corns, warts, cuts, bruises, burns, scalds, chapped hands, chilblains, beetle bite on earth. Drives out pains and aches. Only 25c a box. Cure guaranteed. Sold by Conser & Warren Drug Co.

SOME STORM.

Rather boisterous weather prevailed in the Heppner Hills during the past week, and at times brisk breezes blew. Sunday a south wind brought a flurry of snow along the timbered edges of the Western spur, and the foothills were white as far down as Bill Penland's headquarter ranch on Salm fork. Along there was the skirt of the storm, and there was no snow at Tom McCullough's ranch on Willow creek.

Not long did the snow lie on the open hills, and on Tuesday came a downpour of rain, giving the ground abundant moisture.

It knows when to stop raining here, and on Wednesday the sun shone out bright and beautiful, sending smiles all over the green grass on the hills.

No Right to Ugliness.

The woman who is lovely in face, form and temper will always have friends, but one who would be attractive must keep her health. If she is weak, sickly and all run down, she will be nervous and irritable. If she has constipation or kidney trouble, her impure blood will cause pimples, blotches, skin eruptions and a wretched complexion. Electric Bitters is the best medicine in the world to regulate stomach, liver and kidneys and to purify the blood. It gives strong nerves, bright eyes, smooth, velvet skin, ruddy complexion. It will make a rook-trooping, charming woman of a run-down invalid. Only 50 cents at Conser & Warren Drug Co.

MOUNT HOOD SHIRTS.

Of course you want to encourage home industry. So when you want shirts, ask at the stores for Mount Hood shirts. They are made at Portland by Fleischner, Mayer & Co., who give employment making them to a large number of girls. They are well made and always give satisfaction.

His Life was Saved.

Mr. J. E. Lilly, a prominent citizen of Hannibal, Mo., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with typhoid fever that ran into pneumonia. My lungs became hardened. I was so weak I couldn't even sit up in bed. Nothing helped me. I expected to soon die of consumption, when I heard of Dr. King's New Discovery. One bottle gave great relief. I continued to use it and now am well and strong. I can't say too much in its praise." This marvelous medicine is the surest and quickest cure in the world for all throat and lung troubles. Regular sizes 50c and \$1.00. Trial bottles free at Conser & Warren Drug Co. Every bottle guaranteed.
