The Kind You Have Always Bought

WHEAT, WOOL AND STOCK

Portland, Jan. 16. The wheat markets were lower all around yesterday, and in the local around yesterday, and in the local market but few of the exporters were quoting over 55½ cents, and some of them were shading that figure half a cent. There was not much selling and it would require at least 56 cents to work much business. Freights as yet are not sharing in the weakness in wheat, but are holding steady with full rates demanded for anything near by.
