

There is no reason why Morrow county cannot support twice its present population, and for those who are willing to work, homes are here. The man with cash to invest would probably reap as rich returns from it here as elsewhere, for land values here are the lowest on earth, considering the production and profits.

Take it all around, Morrow County has a good, healthful climate, and Pap Simons, who has lived in many places, says there are more pleasant days here on an average than anywhere else.

CHEAP CORNER.

The large corner property east of J. M. Hager's store and opposite the residence of C. A. Rhea, is now offered at the low price of \$850. Apply at Gazette office.

STOCK PAYS BEST.

Take it up one side and down the other, stock pays best. A real bargain is now offered in a 10-acre stock ranch 45 miles north of Heppner. Only \$4 an acre. Good outside range; 100 tons of hay thrown in and 100 acres in growing wheat; all under fence and will raise anything. Apply to Gazette office, Heppner.

CHEAP PASTURE.

Anyone wanting pasturage for a bunch of cattle, horses or sheep, call on J. W. Redington, at Gazette office, Heppner.

A Powder Mill Explosion

Removes everything in sight; so do drastic mineral pills, but both are mighty dangerous. Don't dynamite the delicate machinery of your body with calomel, croton oil or aloes pills, when Dr. King's New Life Pills, which are gentle as a summer breeze, do the gentle work. Cure headaches, constipation. Only 25c at Conser & Warren Drug Co.

Dr. Johnson, specialist for diseases of the rectum, will be at the Palace Hotel for a short time only. Dr. Johnson cures piles without knife, ligature or caustic and guarantees a cure in every case. Call and talk with him if you are troubled.

NOW FOR TREES.

I am now prepared to take orders for fruit, shade and ornamental trees, grape vines and small fruits, roses and shrubbery, which have been grown without irrigation by The Dallas Nurseries. I will canvass Morrow and Grant counties for both spring and fall delivery, and in all cases guarantee satisfaction. My address is Hardman, and I will see that all stock is promptly delivered. HARRY CUMMINGS.

Score cards on which you can keep tally on all kinds of games are now kept on sale at the Heppner Gazette office.

The day is not distant when every inch of land will be deeded and doubled up in price. If you want to buy a good 32-acre place at \$5 an acre, call on J. W. Redington, Gazette office.

GATHERED ON THE RAIL.

Southern Pacific locomotives will soon use for fuel bricks made of coad and asphaltum. The narrow-gauge railroad now in use is one of twenty inches in North Carolina, built last year for transporting timbers. The length of railroads open in Russia increased from 13,340 miles in 1878 to 17,277 miles in 1889, being an increase of 3,938 miles only. The recent run of the "exposition flyer" over the Lake Shore road between New York and Chicago was the fastest long-distance run on record. The distance of 980 miles was covered in two minutes less than twenty hours. When Queen Victoria travels by rail she pays the companies 7c. 6d. per mile for herself, and first-class fare for everyone else in the royal train. This is supposed to make good the loss entailed by the temporary stoppage of traffic. EIGHTEEN railway companies have aided the Columbian exposition by taking \$50,000 of its stock and \$850,000 of its bonds. Among these the Baltimore & Ohio took \$30,000 in stock, and the Illinois Central \$50,000 in stock and \$100,000 in bonds.

FOR HOUSEWIVES.

Don't put a bright colored carpet into a room where the furniture is dull, old or of neutral tints. Don't have chandeliers or hanging lamps with rooms of low ceiling; use side brackets in such cases. Don't furnish a north room in blue or any other cold color; something of a warm tint should be chosen. Don't hang a heavy portiere over a narrow door; generally speaking, hangings are out of place in a small house, or with small rooms. Don't fill the center of the room, unless there is plenty of space on all sides; nothing offends good taste so seriously as the sense of being "cluttered up." Don't have too much of one kind of decoration in the house; two rooms upon the same general pattern are quite enough—an individual scheme for each apartment is better. Don't use all your kindness and gallantry away from home, and let the unpleasantness manifest itself in the family circle; try the other course for a time, and see how that will work—Household.

WOOL.
