MONTANA WOOL SHIPMENTS

Grant County Stockmen a Little Short of Feed twice a week. -Very Little Wool Left in Hands of Growers.

The sheep market in the Heppner dis rict is unusually quiet for the time of

A tew days ago, Robert F. Hynd sold 650 yearling ewes for \$2 95 per bead. This is the only sale reported so far

No one attempts to explain the quie condition of the market. It seems that

buyers are not quite ready to buy and wners are in no hurry about selling. At this time last year buyers were active and a majority of the contracts

were consummated. Grant county stockmen are a little short of feed, but whether the shortage is enough to cut any figure in the mark et, remains to be seen.

When business starts, it will probably come in a bunch and go like the wool

SHEEP AND WOOL NOTES. The wool business among growers is pretty well cleaned up all over the

COLORADO. Wool is about all shipped out.

Less sheep will be fed in the northern counties this coming season than last year. Scarcity of feed and consequent high prices are the causes MONTANA.

Sheep Company of Big Timber, has offered a reward of \$500 for the return of a band of 1,200 ewes and 900 lambs which appear to have been run off by

The wool season for 1901 is practically over. The season at Great Falls closed habit of stopping at every bar. August 10. Though feverish and un. certain at times, it was as a rule steady, which changed hands during the season will exceed 10,000,000 pounds. The highest price paid was 157, cents on and the lowest was 8 cents for a small quantity of exceptionally poor quality.

At Big Timber the sales were larger than last years', a little over 2,000,000 pounds, and the average price was a fraction over 13 cents. The highest price paid was 1414, and the lowest For shares of stock apply to any of the above

#### Wise or Otherwise

Misery dumps a lot of stones on the road to success. It isn't the 2.10 horse that travels the

farthest in a day. A woman has got to like a man before she will trust him.

There are a lot of unsafe bridges on the road to prosperity. Some outwardly handsome people are deformed on the inside.

Men attribute their overstrained mental condition to brilliancy.

Wish for pluck instead of luck, then go to work and success is yours. What a jolly world this would be if the poets cou'd only eat their poems. Honesty may be the best policy, but

#### Siberia's Wonderful Growth

Siberia is growing with wonderful rap idity. The Russian Government is very kind to its emigrants. This summer I met a train in Siberia. It was taking fourth-class passengers a distance of 2500 miles for \$2.25, giving each person a s'eeping berth, and feeding some of the poorer ones at the many feeding stations along the Siberian Railroad. Over 600,000 emigrants have crossed the The farmer should by all means give Urals into Siberia in five years. Siberia his birds ample room. The freedom of to-day looks just about as Dakota did the premises and commodious houses twenty-five years ago. To give you an idea of the increase of traffic in Siberia The hen with a free range does better the following figures given me by Prince than the one confined within woven Khilkoff may be interesting: "The West Siberian Road (that is, the section of 2000 miles from the Urals to Irkutsk) in 1896 carried 160,000 passengers, 169,-000 emigrants and 10,500,000 puds of goods (pud is 40 pounds). In 1898 in carried 379,000 passengers, 195,000 emigrants and 30,000,000 puds of goods."-Leslie's Weekly.

> Reliable estimates gathered by districts and counties from the most authentic sources in all grain-growing districts of the state place the wheat yield for the present season at 30,020,000 bushels as against 23,500,000 bushels last year and less than 20,000,000 for 1899. This estimate is based on the figures of grain buyers, warehouse men and the agents of railroad companies for the different districts, and the figures taken in each instance are those which are given the greatest credence by reliable and conservative dealers and shippers.
