Issued Thursday Morning.

Warnock & Michell.

A SORROWFUL NATION

This is a trying time in this great country. It does not seem possible, but it is true, the great man, loved, respected and honored by every loyal American citizen. President Wm. McKinley, is dead. What could have been a greater tongue; the nation is in tears.

of the president. But this is un- dealt with without pity. like any other. When the great ever. Wise, conservative, honest them. and just, working hard to further every interest of the nation, he

falls a great martyr. mingle with the people in a simple all will be welcome. and friendly manner. His last great speech, his devotion to the was characteristic of the man.

PRESIDENT ROOSEVELT.

By the death of Wm. McKinley, season. Vice-President Theodore Roosevelt becomes president. Mr. Roosevelt is the youngest man that ever occupied the presidential chair. being not quite forty-three years of age. He is a man of wide experience in public life and is well qualified to take the reins of government. He is a genuine American of the old school. His war against vice in the great state of New York, his dash and bravery calling for these letters say 'advertised,' and there will not be a duil moment. in Cuba during the war with Spain, Kyle, W. T. has made him many admirers and McGuire Brus warm supporters in the nation. Because of his stalwart independence and aggressive honesty in STILL MORE COUNTERFEITING. sell excursion tickets to the carnival Mr. Roosevelt at the helm.

> A BALD NEWSPAPAR MAN Getting a New Crop of Hair, and Has No More Dandruff

Everybody in the Northwest knows Col. Daniel Searles, the veteran journalist and publicist of Butte. Jan. 10. 1900, the Colonel writes: "I need a couple of bottles of Newbro's Herpicide with marvelous results. The dandruff disappeared; a new crop of bair has taken root, and the bald spot is rapidly being covered.' Herpicide is the only hair preparation that kills the dandruff germ that digs up the scalp in scales as it burrows its way to the root of the bair, where it destroys the vitality of the hair, causing the hair to fall out.
