ECZEMA'S ITCH IS TORTURE.

Eczema is caused by an acid humor in the blood coming in contact with the skin and producing great redness and inflammation; little pustular eruptions form and discharge a thin, sticky fluid, which dries and scales off; sometimes the skin is hard, dry and fissured. Eczema in any form is a tormenting, stubborn disease, and the itching and burning at times are almost unbearable; the acid burning humor seems to ooze out and set the skin on fire. Salves, washes nor other external applications do any real good, for as long as the poison remains in the blood it will keep the skin irritated.

BAD FORM OF TETTER.

"For three years I had Tetter on my hands, which caused them to swell to twice their natural size. Part of the time the disease was in the form of running sores, very painful, and causing me much discomfort. Four doctors said the Tetter had progressed too far to be cured, and they could do nothing for me. I took only three bottles of S. S. S. and was completely cured. This was fifteen years ago, and I have never since seen any sign of my old trouble."—MRS. L. B. JACKSON, 1414 McGee St., Kansas City, Mo.

S. S. S. neutralizes this acid poison, cools the blood and restores it to a healthy, natural state, and the rough, unhealthy skin becomes soft, smooth and clear.

SSS cures Tetter, Erysipelas, Psoriasis, Salt Rheum and all skin diseases due to a poisoned condition of the blood. Send for our book and write us about your case. Our physicians have made these diseases a life study, and can help you by their advice; we make no charge for this service. All correspondence is conducted in strictest confidence.

THE SWIFT SPECIFIC CO., ATLANTA, GA.

Thomas McEwen has received a telegram from Milwaukee capitalists stating that a representative will arrive soon to negotiate with the incorporators of the projected electric railway between Sumpter and Bourne, says a Sumpter paper. The incorporators of the proposed road are Thomas McEwen, B. L. McLain, Arthur Philbrick and J. H. Clark.

IT HAPPENED IN A DRUG STORE.

"One day last winter a lady came to my drug store and asked for a brand of cough medicine that I did not have in stock," says Mr. C. R. Grandin, the popular druggist of Ontario, N. Y. "She was disappointed and wanted to know what cough preparation I could recommend. I said to her that I could freely recommend Chamberlain's Cough Remedy and that she could take a bottle of the remedy, and after giving it a fair trial if she did not find it worth the money to bring back the bottle and I would refund the price paid. In the course of a day or two the lady came back in company with a friend in need of cough medicine and advised her to buy a bottle of Chamberlain's Cough Remedy. I consider that a very good recommendation for the remedy." For sale by Conser & Ayers.

The superintendent of the Badger mine, of Susanville, has laid off a large number of the hands that have been employed during the past season. This is done pending arrangements soon to be made by the Badger company for the future operation of the mine. It is likely that a larger force than ever will soon be put to work on the property.

"For three days and nights I suffered agony untold from an attack of cholera morbus brought on by eating cucumbers," says M. E. Lowther, clerk of the district court, Centerville, Iowa. "I thought I should surely die and tried a dozen different medicines, but all to no purpose. I sent for a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and three doses relieved me entirely." This remedy is for sale by Conser & Ayers.

The oil fields above Vale are creating an excitement next to the famous Big Bend gold fever a few weeks ago. More than 12,000 acres are now located and a half dozen surveying parties are in the field. The hotels at Vale are crowded.

A new remedy for biliousness is now on sale at Conser & Ayers' drug store. It is Called Chamberlain's Stomach and Liver Tablets. It gives quick relief and will prevent the attack if given as soon as the first indication of the disease appears. Price, 25 cents per box. Samples free.

R. C. Edwards' big log drive of 3,500,000 feet for the Harrisburg sawmill has reached its destination.

When you have no appetite, do not relish your food and feel dull after eating, you may know that you need a dose of Chamberlain's Stomach and Liver Tablets. Price, 25 cents. Samples free at Conser & Ayers' drug store.

Stockmen will meet at Bonanza October 16 to organize a protection league.

When you cannot sleep for coughing, it is hardly necessary that any one should tell you that you need a few doses of Chamberlain's Cough Remedy to allay the irritation of the throat and make sleep possible. It is good. Try it. For sale by Conser & Ayers.

The flax company at Scio has nearly all its fiber flax retted and stored. It is now putting in a steam drier, and as soon as new machinery arrives from the East will commence work with a full crew.

For sprains, swellings and lameness there is nothing so good as Chamberlain's Pain Balm. Try it. For sale by Conser & Ayers.

Centennial Exposition Incorporated.

The Lewis and Clark Centennial and American Pacific Exposition was formally organized Saturday by the filing of articles of incorporation in the state department at the capitol. The purpose, as expressed in the articles, is to hold an American Pacific Exposition and Oriental Fair, and an exhibition of the industries, arts, manufactures and products of the soil, mill and sea, in Portland during the year 1905, to be state, inter-state, national, American and Oriental in its character, to facilitate and assist in the construction of buildings, to raise funds for the exposition, and in every way to make the fair a success. Portland is selected as headquarters and the company is capitalized for $300,000, divided into shares valued at $10 each. H. W. Corbett, Samuel Connell and J. M. Long are appointed a committee to open stock books. The incorporators are: H. W. Scott, H. E. Akeny, Chas. B. Bellinger, H. W. Corbett, Henry Hahn, Samuel Connell, E. Ehrman, J. M. Long, R. W. Lewis, C. W. Fulton, Edward Everett Young, R. D. Inman, J. W. Cruthers, P. L. Willis, E. H. Kilham, W. H. McMonies, Dom J. Zan, I. N. Fleischner, A. H. Devers, Phil Metschan, C. L. Brown, D. L. Morgan, the Money Master.

Comparatively few people possess any very clear conception of what Mr. Morgan is or does in Wall street. He is vaguely compared with Mr. Keene, who is a speculator; with Jay Gould, who was a wrecker; with Hill and Harriman, who are strictly railroad men; with the Astors, who are primarily real estate owners; with Mr. Carnegie, who was an iron master. But Mr. Morgan's business is purely that of a banker—a worker with money. He is not a practical railroad man, nor a steel manufacturer, nor a coal dealer, although he is interested in all these things, because he is constantly buying and selling railroad and steel and coal stocks. Sometimes for some specific purpose he buys so much of a railroad company's stock that he and his clients practically own the railroad, and he takes a strong position in directing its policy. Not long ago I heard an apparently intelligent speaker who conveyed the impression that Morgan bought a railroad out of his surplus cash as a farmer buys a cow. Nothing could be further from the truth. While Mr. Morgan must make use of his own large means, it no doubt forms but a small part of his vast deals. The essence of successful banking is connections, otherwise friends. While coveting large earnings, capital is proverbially shrinking and timid, fearing to strike out boldly for itself, and yet ever ready to trust itself with confidence to the leader whose skill, foresight and cautious daring have been steadily fruitful of success. Such a money master is J. Pierpont Morgan.—McClure's Magazine.

SCENES OF SPLENDOR.

Portland Carnival's Brilliant Array of Attractions.

Never in the history of the Northwest have the people been offered such enjoyable entertainment, mingled with useful instruction, as will be laid before them during the month of the Portland Carnival, which will be held in the great Exposition Building from September 18 to October 19, and also in the beautiful Multnomah Field adjoining. The committee of representative business men having the carnival in charge have already made contracts involving the expenditure of $50,000 to make the carnival a success. On the music and amusements alone there will be $13,000 expended, and the other appropriations will be in proportion for the Horse Show, the grand Military Tournament and the Athletic Exercises, etc.

These figures will give people an idea of the grandeur and immensity of the carnival, which will be illuminated with 3800 electric lights. The music by two full military bands will be grand, and there will not be a dull moment, afternoon or evening. There will be a reproduction of Multnomah Falls in the Exposition Building, a big working mining exhibit, a German village, a showing of all the products of the Northwest, and many other sights to see. All railroad and steamboat lines will sell excursion tickets to the carnival, good for seven days, at one and one-third fare for the round trip. People who miss the Portland Carnival will miss a grand event.

So far this season, steelhead salmon have not made their appearance in the streams of the Lostine country. Heretofore at this time of year they were very plentiful in both the South Fork and Wallowa rivers. It is said that a dam has been placed at the mouth of Salmon river which prevents them from going up into those streams.

In the past two weeks business has been active at Canyon City and John Day. The roads leading from Baker City and Heppner have been lined with freight teams bringing winter supplies from the railroad and machinery for the mines, and every team and wagon not in use has been fitted out to haul lumber from the sawmills to the dredging company and the Prairie Diggings mine. All the sawmills are sawing lumber in large quantities to supply the unusual demand.

W. W. Austen, of Hamilton, Frank P. Wellman, of Cottonwood, and W. O. Harryman, of Monument, have arranged to hold a series of educational meetings in each of their respective districts. Their first meeting will be held at Hamilton October 18.
