[Sc]rofula

[Th]E OFFSPRING OF HEREDITARY BLOOD TAINT.

Scrofula is but a modified form of Blood Poison and Consumption. The parent who is tainted by either will see in the child the same disease manifesting itself in the form of swollen glands of the neck and throat, catarrh, weak eyes, offensive sores and abscesses and oftentimes white swelling—sure signs of Scrofula. There may be no external signs for a long time, for the disease develops slowly in some cases, but the poison is in the blood and will break out at the first favorable opportunity. S. S. S. cures this wasting, destructive disease by first purifying and building up the blood and stimulating and invigorating the whole system.

J. M. Seals, 115 Public Square, Nashville, Tenn., says: "Ten years ago my daughter fell and cut her forehead. From this wound the glands on the side of her face became swollen and bursted. Some of the best doctors here and elsewhere attended her without any benefit. We decided to try S. S. S., and a few bottles cured her entirely."

SSS makes new and pure blood to nourish and strengthen the body, and is a positive and safe cure for Scrofula. It overcomes all forms of blood poison, whether inherited or acquired, and no remedy so thoroughly and effectively cleanses the blood. If you have any blood trouble, or your child has inherited some blood taint, take S. S. S. and get the blood in good condition and prevent the disease doing further damage.

Irrigation in the Sprague river country has been largely extended this year, says a Bly correspondent. Messrs. Fitch, Smith, Walker and Garnett have finished a ditch eight miles long, and James Boyd has completed two ditches for the exclusive use of his big ranch. The Klamath Republican says that Messrs. Leonard, Mitchell and Bloomingcamp still have a force of men at work on their ditch, which, though only four miles long, will carry a large volume of water.

To remove a troublesome corn or bunion: First soak the corn or bunion in warm water to soften it, then pare it down as closely as possible without drawing blood and apply Chamberlain's Pain Balm twice daily; rubbing vigorously for five minutes at each application. A corn plaster should be worn for a few days, to protect it from the shoe. As a general liniment for sprains, bruises, lameness and rheumatism, Pain Balm is unequaled. For sale by Conser & Ayers Druggists.

The congar, lynx, wildcat, panther and an occasional bear are still to be found in Malheur valley, says the Vale Gazette. Coyotes, jackrabbits and cottontails are numerous. Ducks, geese, sage hens and prairie chickens are plentiful. There are a few bob-white quail. Back in the hills there are still a few deer and an occasional antelope. A few beaver are also found in the valley.

A twenty inch vein of coal has been discovered at a depth of 112 feet near Gold Hill in Southern Oregon.

"I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy and find it to be a great medicine," says Mrs. S. E. Phipps, of Poteau, Ark. "It cured me of bloody flux, I cannot speak too highly of it." This remedy always wins the good opinion, if not praise, of those who use it. The quick cures which it effects even in the most severe cases make it a favorite everywhere. For sale by Conser & Ayers, Druggists.

The program for the third annual convention of the Eastern Oregon division of the State Teachers' Association has been prepared and will be sent out in a few days. The association will meet in Pendleton November 25th to 27th inclusive. The O. R. & N. Co. has given a one and one-third fare rate to the teachers attending the convention, and ample hotel accommodations have been provided.

When you feel that life is hardly worth the candle take a dose of Chamberlain's Stomach and Liver Tablets. They will cleanse your stomach, tone up your liver and regulate your bowels making you feel like a new man. For sale by Conser & Ayers Druggists.

The sugar factory at La Grande will close November 5th, after the best run in its history. About 25,000 bags of sugar will have been made. Most of the company's expert employes will be taken to Utah for the opening of the new factory at Logan.

David R. Jones, pioneer of Lake county, is dead.

Chamberlain's Stomach and Liver Tablets cure biliousness, constipation and headache. They are easy to take and pleasant in effect. For sale by Conser & Ayers Druggists.

Saturday was the most active day in the wheat market in Pendleton for some time. Over 60,000 bushels were sold to exporters. The prices were close around 45½ cents a bushel. Some of the offerings of fine quality brought as high as 44 and 44½ cents and some off color were sold for 43 and under. The majority of sales were made, however, on a basis of 43½ cents.—Pendleton Tribune.

A VILLAGE BLACKSMITH SAVED HIS LITTLE SON'S LIFE.

Mr. H. H. Black, the well known village blacksmith at Grahamsville, Sullivan Co., N. Y., says: "Our little son, five years old, has always been subject to croup and so bad have the attacks been that we have feared many times that he would die. We have had the doctor and used many medicines, but Chamberlain's Cough Remedy is now our sole reliance. It seems to dissolve the tough mucus and by giving frequent doses when the croupy symptoms appear we have found that the dreaded croup is cured before it gets settled." There is no danger in giving this remedy for it contains no opium or other injurious drug and may be given as confidently to a babe as to an adult. For sale by Conser & Ayers, Druggists.

Sumpter Knights of Pythias are fixing up what will be the most comfortable lodge rooms in Eastern Oregon.

An ordinance is under consideration by the Grant's Pass council to prohibit the riding of bicycles on sidewalks within the city limits.

A company of the uniform rank, Knights of Pythias, has been organized in Eugene by W. E. Rapson, of Seattle. The company starts out with 25 members and will be known as Vernon company.

The congestion of railroad ties in the mill company's yards at Nicolai has caused the mill to only run half time, and consequently many men have been thrown out of employment and have moved away.

A Western farmer left $45,000 with the hard and fast provision in his will that it should be destroyed. It would be better even that the lawyers get it than such waste should be permitted by the courts.

In a teachers examination the question was asked: "What are the four great territorial powers?" One answer given was as follows: "Electricity, water, society and art." That teacher ought to be pensioned.

Word has been received from Mapleton of the drowning in the Siuslaw river last Monday of Voltaire Gurney and his son Robert. They were engaged in running a drive of logs near Mapleton and fell into 20 feet of water. Both bodies were recovered.

C. W. Haight of The Dalles has purchased 3200 head of sheep from W. J. Lauder of Bakeoven, which he will winter on the range near the head of Cow Canyon. The price per head has not been given out, but the deal involves the sum of over $7000, says the Chronicle.

A district convention of the Knights of Pythias will be held again in Pendleton. The exact date has not been determined upon, but will be set by a committee to be chosen by the different lodges of the county. The time to be selected will be about the middle of January.

Two men were arrested at Roseburg by Marshal Dillard on suspicion of having been connected with the recent holdup and robbery of the Southern Pacific train. They gave their names as James Peltmore and Jack Wilson. They declare that they came from The Dalles and Heppner, Ore.

The prune crop for Douglas county, as far as can now be learned, will approximate 5,000,000 pounds, says the Oregonian correspondent. Prune shipments are going on as rapidly as cars can be obtained. Among the shippers and buyers C. Grazely has been the largest. His shipments will probably reach the 2,000,000 pound mark.

H. F. Hollenbeck, of Eugene, the other day had some fine second crop lettuce and some pea vines just ready to bloom. The two crops went to seed and from the seeds which fell in new ground a new crop has sprung up. The second crop of peas is just ready to bloom and another week of favorable weather will find his garden replendent with pea blossoms.

F. M. Plitter purchased 800 head of yearling wethers from Hardie Bros., of Trail Fork, paying $2.25 per head, says the Condon Times. John M. Brown, of Lone Rock, sold 1000 head of ewes to John Maidmont for $2.80 per head, and 2400 head of ewes and lambs to A. Smythe, of Arlington, receiving $2 for ewes and $1.75 for lambs. Nat Scott, of Lone Rock, disposed of 1250 head of lambs to a Heppner buyer, the price being $1.75 per head.

A contract has been let by the school teachers and clerks who have filed on land in the south end of Umatilla county, to build 18 cottages and 10 miles of fence on their property. The contractors will erect a log cabin or a board house on each claim of 160 acres and cut and set posts and stretch three wires around the entire tract of land, which is four miles long and two miles wide. The cottages, cabins or houses are to vary in cost and design according to the ideas of the owners.
