LEXINGTON NEWS.

LEXINGTON, March 19, 1902.

Rev. E. R. Beach has been confined to his bed several days with the grippe.

Mr. and Mrs. Nolan, of Rhea Creek, attended church at Lexington, Sunday.

Miss Lottie Davis returned home Sunday. She has been at Heppner several weeks.

Miss Grace Tyler came home last Friday on account of the serious illness of her mother.

C. A. Johnson and family are again residents of Lexington, having moved up from Ione last week.

Clyde Gentry will stay with his sister, Mrs. J. E. Stanton, in Eight Mile, this summer, and attend school.

Several of our citizens were in attendance at the Republican convention, Saturday, as delegates and spectators.

Several people from the East have been looking at the county about Lexington during the past week with a view of locating here. Let them come on; we need more people.

Rev. W. O. Miller held a short series of meetings at the Liberty school house, commencing last Friday and closing Sunday. He expects to begin a series of meetings at Butter creek this week.

The grippe is raging in this vicinity. Among the recent cases we note Miss Iona White, C. D. Leach, Mrs. W. O. Miller, and J. H. Gemmill. Mr. Reaney's children are recovering rapidly.

D. N. Marler and son Frank, who arrived here recently from Missouri, are talking of returning to their old home. If they will stay here a little longer, we can "show" them that Morrow county is all right.

E. M. Shutt and his 9-year-old son Lawrence left Monday morning for Chicago, where the boy will receive treatment, perhaps an operation, for his eyes. At the age of six months he contracted a violent case of whooping cough, which settled in his eyes, almost completely ruining the vision of one eye and seriously impairing the vision of the other. The best oculists of Portland have treated the boy ever since, but without material effect. It is Mr. Shutt's intention now to place the lad under the care of the best eye specialists of Chicago, and they will be absent perhaps the greater portion of a month.

Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and become poisonous, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smoke and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c size. Ely Brothers, 56 Warren St., N. Y.

The Balm cures without pain, does not irritate or cause sneezing. It upgrades itself over an irritated and angry surface, relieves immediately the painful inflammation. With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.

Applique, fancy buttons, allover lace, belts, neckwear, hosiery, corsets, shirt waists, dress skirts, point lace materials, etc. at Mrs. L. J. Estes.

The speed committee of the Oregon State Fair have commenced their early closing stakes for 1902 fair and among them is a stake for two year old fillies for Oregon, Washington and Idaho bred colts, five furlongs, \$300 added. This should make a stake valued at \$1000 if properly patronized and some of the Morrow County horses should make an effort to win it. We are informed that these stakes will be continued each year if well patronized by the running horse men.

Stops the Cough and works off the Cold. Laxative Bromo-Quinine Tablets cure a cold in one day. No Cure, no Pay. Price 25 cents.
