

BREAD AND BUTTER STATE.

The New Name for Minnesota by its Dairy Products and Flour.

Minnesota has heretofore been known as the flour state.

In the product of spring wheat, Minnesota stands at the head of the states of the country.

The combination of wheat and flour with milk and butter is more clearly marked in Minnesota than in any other state.

Illinois raises a fair amount of wheat, but the corn crop, which is of every much more importance, yields in a year eight dollars to every dollar received from the products of wheat.

A CHAFING DISH DUEL.

The queerest duel I ever heard of was recently fought by two friends of mine.

ORNAMENTATION OF CARS.

To the traveler to-day one of the significant changes in the construction of passenger sleeping cars is the simplicity of their decoration.

IN OLD AGE

The question of health becomes mainly a question of nutrition. If the stomach and other organs of digestion and nutrition are kept in a healthy condition there will be well-nourished body, and little liability to disorders of the liver, kidneys or such other disorders as may result from an unwholesome diet.

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition, and also diseases of other organs which are caused by the diseased condition of the stomach.

Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach, blood and bowels.
