State Treasurer—E. B. S. MOORE.
Superintendent of Public Instruction—J. H. ACKERMAN.
DISTRICT
Congressman—J. N. WILLIAMSON.
Joint Senator—J. W. SCRIBER.
Joint Representative—G. W. PHELPS.
MORROW COUNTY.
For Sheriff—E. M. SHUTT.
For Clerk—VAWTER CRAWFORD.
For Assessor—W. L. SALING.
For Commissioner—JOHN WILLIAMS.
For Treasurer—MAT LICHTENTHAL.
For Surveyor—JOHN F. ROYSE.
For Coroner—F. R. KISTNER.

Don't vote for scuttles. Lend your assistance to maintain the stars and stripes.

It will certainly be little consolation for a man who believes in Republican principles to vote for Chamberlain. It would be cutting off your nose to spite your face.

Oregon was again in the front rank at the Charleston fair. The records this time show 14 gold medals, four silver medals, and seventeen of bronze and 82 honorable mentions. Oregon is all right.

Lewis Nixon, the recently elected leader of Tammany has resigned. Mr. Nixon plainly stated that he could not longer retain his self respect if he remained as leader. Its the same old Tammany.

Who says it does not rain in Eastern Oregon. A portion of the Willamette valley climate seems to have been transferred to this country. This has been a great season for grass and stockmen are happy. Crops will be heavy this fall.

The registration of voters in the State of Oregon is about 10,000 less than in 1900. The population of the state has increased. The falling off of the registration seems to be a matter of indifference or negligence on the part of a great many.

Representative Tongue in a recent speech scored the meat trust. He said the recent unusual rise in the price of beef was entirely without justification and it was brought about by the meat trust. The trust is the enemy of both the consumer and the producer.

G. W. Phelps was unanimously chosen chairman of the Republican congressional convention at the last meeting held in Portland. It looks reasonable that a man with this influence and standing would also have influence and be a good man to send to the legislature.

The decision of Oregon voters on the second day of June will be the vanguard of opinion on the great issue now before the American people. Republican principles and ideas, faithfully carried out by Republican administration has made the country great and prosperous. Will the people of Oregon vote to maintain this condition of affairs?

W. F. Matlock, the Democratic nominee for joint representative is a good man. Personally, the GAZETTE has not a word to say against him. On the other hand, G. W. Phelps is just as good a man. But this is not the argument. When it comes to sending

representatives who elect men to go to Washington to help shape national affairs, personality is only of minor importance. The principles that they represent are what should be looked to. Mr. Phelps is a Republican and Republicans should do their duty by him.

In voting for joint senator and joint representative, Republicans should remember that there is a principle at stake. At the next session of the legislature a senator is to be elected. It would be an absolute endorsement of Democratic principles to turn down the Republican nominees, J. W. Scriber and G. W. Phelps. Are the men to vote for in Morrow county.

The office of county clerk is one of great importance to the taxpayers of Morrow county. To be candid and fair, is there any necessity for a change in the present administration of affairs. Vawter Crawford has served Morrow county for four years in this office. During this time his record is above reproach. His books are correct to the cent. Courteous, obliging and faithful, he has made a most worthy and satisfactory official. This is certainly all that could be desired of any man. Mr. Crawford is very popular and has made many friends. Remember him on the second day of June.

E. M. Shutt will be the next sheriff of Morrow county. No man in the county is better fitted for the position than Mr. Shutt. He is a brother newspaper man who has worked hard for Morrow county interests. The GAZETTE feels competent to speak in this matter. Mr. Shutt's paper is conclusive evidence that he has worked for Morrow county's interests. He is an active, energetic and progressive young man. Brought up on a farm he is not afraid of hard work. As to his qualifications there is no question. He has always stood for the enforcement of the law without fear or favor which has made him many friends. Mr. Shutt has publicly declared that he will devote his entire attention to the interests of Morrow county in the office to which he aspires, if elected. There are many reasons why Mr. Shutt should be elected sheriff of Morrow county.

With the best interests of Morrow county in view, first, last and all the time, the GAZETTE is of the opinion that under present circumstances, the Republican county ticket should be elected. In the selection of county officials, Morrow county is not different from any other. The main object is to get satisfactory results, irrespective of his political party prejudice. We want, we need, and we must have reliable, competent and representative men to transact our business. This is necessary in both public and private affairs. We are pleased to recommend the Republican candidates to the people of Morrow county. The candidates are all good and substantial citizens that are interested in the welfare and prosperity of this county.

Silverton has a new paper, the Silvertonian. The initial number is very neat and presents a new appearance. The Silvertonian ought to succeed.

Deafness Cannot be Cured
By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and the tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are cured by catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by HALL'S CATARRH CURE. Send for circulars, free.
