IONE BREVITIES.

Mat Halvorsen is building extensive additions to his store and hotel.

A free for all fight occurred in Engleman's saloon last Saturday afternoon and for awhile the air was thick with chairs, guns, razors, billiard cues, cuss words and fleeing spectators. It all resulted over the ace of spades which a certain colored gentleman, who is employed as a barber at the saloon, needed to beat three kings which the other fellow had. He got the ace of spades by ways mysterious to the unsophisticated, but known to his opponent, and when the time came to show down for the money the aforesaid ace appeared in the darkey's hand and just about that time both grabbed for the pot and from that time on nobody seemed to know just what happened except that the dealer got the money and the nigger a broken head and when the war was over the participants were duly called before his Honor, the Recorder, and after trial each was fined \$25, which the Coon was compelled to pay as the Recorder had that in his custody deposited as bail, while one other of the unfortunates gave a note for his portion, with security, and the other one could not raise the dough but agreed with two of our citizens to "work it out" for them if they would pay the city recorder and it was so agreed, when the aforesaid child of misfortune went to work and worked leisurely for 20 minutes and suddenly disappeared. The citizens who stood good have somehow or other for reasons quite apparent, lost confidence in the man of much words and little works. "By their works ye shall know them" is to be the moral of this story. I will refrain from giving names of those who were "easy."

We write with regret that David Baker, of Ione, died on the 13th inst. and was buried at the cemetery near his old home on Sunday last, the last rites being witnessed by a large gathering of friends and neighbors. In his death the State of Oregon, and Morrow county in particular, lost a most honorable, upright and worthy citizen—one against whom no man could say aught and whose memory will be written in ineffaceable letters on the roll book of eternity as a man who made earth better by his presence and left nothing but good will behind him. He left an aged wife and several sons and daughters to mourn their loss.

BEWARE OF THE KNIFE.

No profession has advanced more rapidly of late than surgery, but it should not be used except where absolutely necessary. In cases of piles for example, it is seldom needed. DeWitt's Witch Hazel Salve cures quickly and permanently. Unequalled for cuts, burns, bruises, wounds, skin diseases. Accept no counterfeits. "I was so troubled with bleeding piles that I lost strength," says J. C. Phillips, Paris, Ill. "DeWitt's Witch Hazel Salve cured me in a short time." Soothes and heals.

A COMMUNICATION.

MR. EDITOR—Allow me to speak a few words in favor of Chamberlain's Cough Remedy. I suffered for three years with bronchitis and could not sleep at nights. I tried several doctors and various patent medicines, but could get nothing to give me any relief until my wife got a bottle of this valuable medicine, which has completely relieved me.—W. S. Brockman, Bagnell, Mo. This remedy is for sale by Slocum Drug Co.

Notable For Their Durability.

A most important feature of the flat, indestructible records used on the Columbia Disc Graphophone is their durability. The material used is a composition exclusively controlled by the Columbia Phonograph Company, pioneers and leaders in the talking machine art. While its peculiar character admits of its receiving the most minute sound vibrations, the composition is hard enough to resist wear. For this reason Columbia Disc records outlast all others while they are vastly superior in quality. Instead of being scratchy and muffled, they are smooth, clear, resonant and possess of a volume that is truly marvelous. Only those who own Columbia disc machines and the perfected disc records of the Columbia Phonograph Company, have any just conception of the progress that has been made in bringing this type of machines and records to the highest possible point of desirability.

The Disc Graphophone is made in three types, selling at \$5, \$20 and \$30. Seven inch records 50c each, \$5 per dozen; 10 inch records \$1 each, \$10 per dozen. The Graphophone and Columbia Records were awarded the Grand Prize at the Paris Exposition of 1900.

The Columbia Phonograph Company, 125 Geary Street, San Francisco, headquarters for graphophones and talking machine supplies of every kind, will send you catalogues on application.

A CERTAIN CURE FOR DYSENTERY AND DIARRHOEA.

"Some years ago I was one of a party that intended making a long bicycle trip," says F. L. Taylor, of New Albany Bradford County, Pa. "I was taken suddenly with diarrhoea, and was about to give up the trip, when editor Ward, of the Laceyville Messenger, suggested that I take a dose of Chamberlain's Colic, Cholera, and Diarrhoea Remedy. I purchased a bottle and took two doses, one before starting and one on the route. I made the trip successfully and never felt any ill effect. Again last summer I was almost completely run down with an attack of dysentery. I bought a bottle of this same remedy and this time one dose cured me." Sold by Slocum Drug Co.

A Mare's Epitaph.

In the center of a field at Waverhill, Suffolk, England, is a large flat stone covering the grave of a mare which died in 1852, inscribed as follows: "Polka. She never made a false step. Ecclesiastes iii, 19th verse." A reference to chapter and verse shows the following: "For that which befalleth the sons of man befalleth beasts, even one thing befalleth them; as the one dieth, so dieth the other." This is probably the only instance of a text from the Scriptures appearing on a memorial stone to an animal.—Newcastle (England) Chronicle.

Running makes a person warm, because, when running, a greater quantity of air is inhaled into the lungs. More oxygen is thus introduced and the blood is heated.
