

**Morrow County Horses All Right.**

Benj. F. Swaggart returned last week from Seattle, where he has been attending the King county fair. Mr. Swaggart took five colts with him to enter in the races, started three times and defeated all the district colts and ran second to California, which is a fine showing for Morrow county's productions. He sold three colts to California horsemen.

Mr. Swaggart states that there was general dissatisfaction among horsemen with King county's treatment, and several said they would not return. There was considerable jobbing going on with the bookmakers, which made things very unpleasant.

While away Mr. Swaggart purchased five fine mares, Sylvan Lass, Clara N, Kitty Norfolk, Ella Dupoy and Master Bishop, which are classed among the best in the United States.

The colts raised in Morrow county weigh 150 pounds more than any on the circuit.

Since Morrow county is winning a reputation in its fine horses, it is about time we had a race track where training could be done.

**Serious Accident.**

Thos. Raby is now in a critical condition from the effect of being thrown from a wagon Friday afternoon.

Mr. Raby and his son were returning home from this city in a wagon and when out at the Colwell grade, about 18 miles from Heppner, they met L. W. Briggs and Mr. French of this city on the grade. The hill is very steep and the road is narrow and in attempting to pass young Raby, who was driving, pulled out too far and the wagon turned over. Thos. Raby was thrown from a high seat down the mountain side, receiving a very bad fracture of both bones of the right leg between the knee and ankle, the bones going through both his sock and pants.

He was brought back to this city by Mr. Briggs and Mr. French and his injuries were attended to by Dr. McSword. Besides the fracture, Mr. Raby was badly bruised.

Fricke, of Petersburg, Menard Co., Illinois, Box 367, "and after trying everything I could think of I made up my mind to try 'Favorite Prescription.' I got six bottles, which my wife took a tablespoonful three times a day, until the baby came. She felt better after taking the first bottle, and when baby was born he weighed nine and a half pounds. **MEETING OF WOOLGROWERS.**

Good Attendance and Satisfactory Work Accomplished.

Pendleton, Sept. 16.—The annual meeting of the Oregon Wool Growers' Association was held at Pendleton today, with an attendance of 50, representing every portion of the state. The delegates were welcomed in a short speech by Mayor T. G. Hailey and Congressman-elect J. N. Williamson responded with a short address.

President Belts delivered a very suggestive and well considered address, briefly sketching the recent work of the association, showing that when the Cascade forest reserve was created it was to have been closed against sheep, yet, through the efforts of the association, 200,000 sheep range within its borders today. By fixing dates for sales of wool at Pendleton, Heppner, Shaniko and The Dalles, sellers and buyers were brought together, to their mutual advantage, and prices ranged from 1/2 to 1 1/2 cents more per pound than had been anticipated.

Mr. Belts called attention to the serious problem of the overstocking of the summer range, a problem which would have solved itself except for commissioner Hermann's and Congressman Moody's Blue Mountain forest reserve proposition.

The secretary, R. F. Hynd, of Heppner, read his report, which showed 119 members in good standing, representing 325,000 sheep, and that the wool growers of Oregon realized this year not less than 14 cents a pound for their wool.

The scalp bounty law was taken up, and Congressman-elect Williamson read an able paper on the subject, favoring the continuance of the law, which met with the unanimous approval of the association.

At the conclusion of Mr. Williamson's address it was unanimously resolved to urge on the Legislature the retention of the scalp bounty law.
