No profession has advanced more rapidly of late than surgery, but it should not be used except where absolutely necessary. In cases of piles for example, it is seldom needed. DeWitt's Witch Hazel Salve cures quickly and permanently. Unequalled for cuts, burns, bruises, wounds, skin diseases. Accept no counterfeits. "I was so troubled with bleeding piles that I lost strength," says J. C. Phillips, Paris, Ill. "DeWitt's Witch Hazel Salve cured me in a short time." Soothes and heals.

A COMMUNICATION.

Mr. Editor—Allow me to speak a few words in favor of Chamberlain's Cough Remedy. I suffered for three years with bronchitis and could not sleep at night. I tried several doctors and various patent medicines, but could get nothing to give me any relief until my wife got a bottle of this valuable medicine, which has completely relieved me.—W. S. Brockman, Bagnell, Mo. This remedy is for sale by Slocum Drug Co.

A new top saw has been put in and with a new Reamey feed, the mill is now in first class shape. The company is now cutting about 15,000 feet of lumber per day. Mr. Cantwell says that they have enough saw timber to keep the mill running steadily for at least two years. The demand for lumber is good.

Notable For Their Durability.

A most important feature of the flat, indestructible records used on the Columbia Disc Graphophone is their durability. The material used is a composition exclusively controlled by the Columbia Phonograph Company, pioneers and leaders in the talking machine art. While its peculiar character admits of its receiving the most minute sound vibrations, the composition is hard enough to resist wear. For this reason Columbia Disc records outlast all others while they are vastly superior in quality. Instead of being scratchy and muffled, they are smooth, clear, resonant and possess of a volume that is truly marvelous. Only those who own Columbia disc machines and the perfected disc records of the Columbia Phonograph Company, have any just conception of the progress that has been made in bringing this type of machines and records to the highest possible point of desirability.

The Disc Graphophone is made in three types, selling at \$5, \$20 and \$30. Seven inch records 50c each, \$5 per dozen; 10 inch records \$1 each, \$10 per dozen. The Graphophone and Columbia Records were awarded the Grand Prize at the Paris Exposition of 1900.

The Columbia Phonograph Company, 125 Geary Street, San Francisco, headquarters for graphophones and talking machine supplies of every kind, will send you catalogues on application.

A CERTAIN CURE FOR DYSENTERY AND DIARRHOEA.

"Some years ago I was one of a party that intended making a long bicycle trip," says F. L. Taylor, of New Albany Bradford County, Pa. "I was taken suddenly with diarrhoea, and was about to give up the trip, when editor Ward, of the Laceyville Messenger, suggested that I take a dose of Chamberlain's Colic, Cholera, and Diarrhoea Remedy. I purchased a bottle and took two doses, one before starting and one on the route. I made the trip successfully and never felt any ill effect. Again last summer I was almost completely run down with an attack of dysentery. I bought a bottle of this same remedy and this time one dose cured me." Sold by Slocum Drug Co.
