

A Cough

"I have made a most thorough trial of Ayer's Cherry Pectoral and am prepared to say that for all diseases of the lungs it never disappoints."

J. Early Finley, Ironton, O.

Ayer's Cherry Pectoral won't cure rheumatism; we never said it would. It won't cure dyspepsia; we never claimed it. But it will cure coughs and colds of all kinds. We first said this sixty years ago; we've been saying it ever since.

Three sizes: 25c., 50c., \$1. All druggists.

Consult your doctor. If he says take it, then don't be shy. If he tells you not to take it, then don't take it. He knows. Leave it with him. We are willing.

Natural Anxiety.

Mothers regard approaching winter with uneasiness, children take cold so easily. No disease costs more little lives than croup. It's attack is so sudden that the sufferer is often beyond human aid before the doctor arrives. Such cases yield readily to One Minute Cough Cure. Liquefies the mucus, allays inflammation, removes danger. Absolutely safe. Acts immediately. Cures coughs, colds, grip, bronchitis, all throat and lung trouble. F. S. McMahon, Hampton, Ga: "A bad cold rendered me voiceless just before an oratorical contest. I intended to withdraw but took One Minute Cough Cure. It restored my voice in time to win the medal." In Eastern Oregon

Pendleton is full of hold up men and thieves.

The total valuation of sheep in Unmatilla county for the year 1902 is put on the tax books at \$217,655. This is a small increase over last year's valuation.

A member of the party of Umatilla Indians who visited Prarie City during the week, persisted in his effort to obtain whiskey, says the Miner, until one of the men from whom he tried to get it explained to him that it was not his practice to let good Indians have whiskey; that, in fact, good Indians never asked for it and never drank it when it was offered to them; whereupon the Umatilla brave replied: "Then me damned bad Iujun—damned bad, all same good white man!"

Court House Notes.

SHERIFF'S OFFICE.

Next Monday taxes will be delinquent. About 350 of the smaller taxpayers have not paid. Sheriff Shutt looks for a rush from now until Monday by the people who have been putting off payment until the last minute. The amount unpaid will aggregate about \$5000. About \$50,000 in taxes have already been collected.

One man whose taxes amounted to 52 cents came in and paid 26 cents to take advantage of the law before the first Monday in April, but has failed to pay the other 26 cents.

Taxpayers should remember that a penalty of 22 per cent is added if taxes are not paid before Monday October 6.

America's Famous Beauties.

Look with horror on Skin Eruptions, Blisters, Sores, Pimples. They don't have them, nor will any one, who uses Booklen's Arnica Salve. It glorifies the face. Eczema or Salt Rheum vanish before it. It cures sore lips, chapped hands, chilblains. Infallible for Piles. 25c at Slocum Drug Co's.

Silver salmon have been running for a week and the indications to date are that the catch will be about equal to that of last year. In 1901 about 75,000 cases were canned. The catch for the current season is more likely to run under than over that take.

A Typical South African Store.

O. R. Larson, of Bay Villa, Sundays River, Cape Colony, conducts a store typical of South Africa, at which can be purchased anything from the proverbial "needle to an anchor." This store is situated in a valley nine miles from the nearest railway station and about twenty five miles from the nearest town. Mr. Larson says: "I am favored with the custom of farmers within a radius of thirty miles, to many of whom I have supplied Chamberlain's remedies. All testify to their value in a household where a doctor's advice is almost out of the question. Within one mile of my store the population is perhaps sixty. Of these, within the past twelve months, no less than fourteen have been absolutely cured by Chamberlain's Cough Remedy. This must surely be a record." For sale by Slocum Drug Co.

Earthquakes in Mexico.

Mexico City, Sept. 27.—Advices from Salina Cruz the Pacific terminus of the Tehuantepec National railroad, which is being rebuilt by the English contractor, Sir Westman Pearson, state that Tuesday no less than 75 shocks of earthquake were felt, causing much alarm. The most serious damage was done to an immense 70-ton crane used on the construction of the breakwater, which was thrown from the track into the bay. A majority of the smaller cranes used on the works are also reported to have been thrown out of place.

It is probable that the construction of the artificial harbor will be delayed six months, as the crane was thrown into deep water, and it will require time to recover it.

Levi Strauss is Dead.

San Francisco, Sept. 27.—Levi Strauss, one of the last of the old time merchants of San Francisco, and one of the best known men from the most southerly mines of California to Puget Sound, died at his home last evening of heart disease.

Mr. Strauss was born in Bavaria in 1829, and settled in this city in the early 50s. He founded the dry goods firm of Levi Strauss & Co., one of the largest enterprises on the Pacific coast, with a branch in New York City. Mr. Strauss was interested in many other enterprises and leaves an immense estate. Mr. Strauss was a bachelor.

Look Out For Fever.

Biliousness and liver disorders at this season may be prevented by cleansing the system with DeWitt's Little Early Risers. These famous little pills do not gripe. They move the bowels gently, by copiously, and by reason of the tonic properties, give tone and strength to the glands. Slocum Drug Co.

Notable For Their Durability.

A most important feature of the flat, indestructible records used on the Columbia Disc Graphophone is their durability. The material used is a composition exclusively controlled by the Columbia Phonograph Company, pioneers and leaders in the talking machine art. While its peculiar character admits of its receiving the most minute sound vibrations, the composition is hard enough to resist wear. For this reason Columbia Disc records outlast all others while they are vastly superior in quality. Instead of being scratchy and muffled, they are smooth, clear, resonant and possess of a volume that is truly marvelous. Only those who own Columbia disc machines and the perfected disc records of the Columbia Phonograph Company, have any just conception of the progress that has been made in bringing this type of machines and records to the highest possible point of desirability.

The Disc Graphophone is made in three types, selling at \$5, \$20 and \$30. Seven inch records 50c each, \$5 per dozen; 10 inch records \$1 each, \$10 per dozen. The Graphophone and Columbia Records were awarded the Grand Prize at the Paris Exposition of 1900.

The Columbia Phonograph Company, 125 Geary Street, San Francisco, headquarters for graphophones and talking machine supplies of every kind, will send you catalogues on application.
