Saturday and Monday were busy days in the Sheriff's office, says Sheriff Shutt. Taxpayers were anxious to pay before the time was out. At the present date there is in the neighborhood of 140 who have not paid. An additional will be added of about 16 per cent for those who have neglected to pay at the time fixed by law. There is some complaint—not at the sheriff—but at the law in regard to taxes.
The residence of Chas. Baker, who resides one mile north of Hardman was destroyed by fire early Monday morning. The fire was discovered by the family just as they were sitting down to breakfast. The fire started in the roof from a stovepipe. The flames were soon beyond control. An organ and a small amount of furniture was saved. The building and main portion of the contents were a total loss. Mr. Baker is a poor man and the loss falls heavily upon him. There was no insurance. Farmers and neighbors in Mr. Baker's vicinity will help him to build a new house.

Hellyer--Jones Nuptials.

A very pretty wedding took place last Wednesday, Oct. 1st, at the residence of Mr. and Mrs. James Jones near Heppner. The contracting parties were Clement D. Hellyer, of Portland, and Miss Bertha May Jones, of Heppner, youngest daughter of Mr. and Mrs. James Jones.
The wedding was a very quiet one, only the members of the family and particular friends being present.
The happy couple left Thursday morning for their home in Portland.
Mr. Frank Adkins officiated at the wedding.

CITY COUNCIL MEETS

BILLS FOR THE MONTHS OF AUGUST AND SEPTEMBER

The Main Issue Before the Council Was in Regard to Sidewalks Committee to Investigate

The regular meeting of the city council Monday evening was a busy one and a large amount of business was disposed of by the city fathers.
There was no meeting during the month of September and at Monday's meeting the proceeding's included occurred business of two months relating to city affairs.
The question of sidewalks and cross walks was taken up and discussed at length.
E. F. Hynd addressed the council in the matter of building a side walk from the depot to connect with the sidewalk which was near Heppner's warehouse.
Mr. Hynd stated that he had recently conferred with Mr. O'Brien of the O. R. & N., and said that the representative of the railroad company offered to give a right of way along the track as far as the company's grounds extended. The company wanted the sidewalk built and would probably help to build it.
Henry Heppner also addressed the council about the proposed walk. Mr. Heppner was of the opinion that the railroad company ought to build the walk. He was not in favor of the city taking it up.
It was decided by the council to investigate the matter. The general consensus of opinion was that the walk was needed and should be built.
A resolution was passed ordering a new side walk on Willow street in front of Joe Keeney's property.
An inconspicuous light was ordered in front of the engine house and city jail.

OIL PROSPECT FLATTERING.

Located on Both Sides of Columbia River, Near Castle Rock.
Mr. Willard Herren was called to Arlington Monday to attend a meeting of the Columbia River Development Co. Tuesday. At the meeting they decided to purchase a standard drilling rig and employed a professional driller. This drill will bore a hole to a depth of 2500 feet. The company has been using the drill owned by the coal company on Willow creek, and bored a hole about 100 feet deep. At present there is a good flow of natural gas. The prospect we speak of is on the Washington side of the river opposite Castle Rock, but we learn that operations will soon commence on the Oregon side, where chances are equally as good as on the Washington side of the river for striking oil. The company has located 3,000 acres of land in Morrow county. Mr. Ross Beardsley, of Arlington one of the board of directors, was in Heppner Wednesday and seems very enthusiastic over the prospect. Morrow county has a great future and no doubt some day, it will be noted for its oil wells and coal fields.
