

Dark Hair

"I have used Ayer's Hair Vigor for a great many years, and although I am past eighty years of age, yet I have not a gray hair in my head."
Geo. Yellott, Towson, Md.

We mean all that rich, dark color your hair used to have. If it's gray now, no matter; for Ayer's Hair Vigor always restores color to gray hair. Sometimes it makes the hair grow very heavy and long; and it stops falling of the hair, too.

Clarence H. Hale and Bert Wisdom, of Butter Creek, were bound over in \$500 bonds each to the circuit court Friday for assault with a dangerous weapon on Ben Fix, also of Butter Creek. The dangerous weapon was a lariat. While Fix was driving his cattle at the Slusher place, on Butter Creek, last Saturday, he sighted Hale and Wisdom on horseback approaching on the run. When near Hale and Wisdom ready to throw the rope, and Fix tried to draw his gun, but was not quick enough. The rope settled around Fix's head and arm, and he was jerked violently from his saddle. Hale dragged the unfortunate man upwards of 100 yards along the ground, but fortunately without fatal results. Fix's assailants give as an excuse for their high-handed deed that Fix had trespassed on their grass.

HOW TO BE HAPPY.

A Coy Blessing That Is Ever at Hand, Yet Eludes Those Who Are Seeking It.

There are people forever in search of happiness who never find it. Happiness oftentimes comes by indirection. You are intent on duty, and are surprised to find you have stumbled on more than you sought, says the Home Magazine. To make happiness the end of your seeking is an easy way not to find it. It is a coy blessing. Hovering about your path, it yet eludes your grasp. Attempt to put your hand upon it, and like a wild gazelle upon the mountain, it bounds away. The search for happiness is like the search for the end of the rainbow—it recedes as you advance. You cannot capture it. After all your planning you will have to give up the pursuit, and content yourself with following the plain and plodding path of duty, and to find your joy in fidelity to conscience and in obedience to the Divine will. Aim at something higher than happiness, and the higher will be sure to include the lower.

To the Public.

Allow me to say a few words in praise of Chamberlain's Cough Remedy. I had a very severe cough and cold and feared I would get pneumonia, but after taking the second dose of this medicine I felt better, three bottles of it cured my cold and the pains in my chest disappeared entirely. I am most respectfully yours for health. Ralph S. Meyers, 63-Thirty-seventh St., Wheeling, W. V. For sale by Slocum Drug Co.

A Thanksgiving Dinner.

Heavy eating is usually the first cause of indigestion. Repeated attacks inflame the mucous membranes lining the stomach, exposes the nerves of the stomach, producing a swelling after eating, heart burn, headache, sour risings and finally catarrh of the stomach. Kodol relieves the inflammation, protects the nerves and cures the catarrh. Kodol cures indigestion, dyspepsia, all stomach troubles by cleansing and sweetening the glands of the stomach.
