

Colds

"I had a terrible cold and could hardly breathe. I then tried Ayer's Cherry Pectoral, and it gave me immediate relief."
W. C. Lavton, Sidell, Ill.

How will your cough be tonight? Worse, probably. For it's first a cold, then a cough, then bronchitis or pneumonia, and at last consumption. Coughs always tend downward. Stop this downward tendency by taking Ayer's Cherry Pectoral.

Three sizes: 25c., 50c., \$1. All druggists.

Danger Signal in the Alps.

According to the international agreement recently made in regard to the danger signal in the Alps, six shots or movements of a light will be recognized as a call for assistance. In cases of stomach, liver and bowel troubles, it is always wise to heed the first danger signal, and give Nature the assistance she is calling for. The best medicine to aid the stomach in digesting the food, to stir up the liver, or to open up the clogged bowels, is Hostetter's Stomach Bitters. It is backed by a record of fifty years of cure. Be sure to try the Bitters if you are a sufferer from indigestion, dyspepsia, flatulency, constipation or biliousness. Our Private Stamp is over the neck of the bottle.

The Reason.

George (aged six)—Say, pop, why do they have a fender on an electric car?
His Father—It enables both the doctor and the undertaker to get a crack at your estate; otherwise, the undertaker would have it all his own way.—Chicago Journal.

A Matter of Form.

Mrs. Hauskeep—What have you got to-day in the shape of rhubarb?
Green Grocer—Well, we've got some celery; that's the nearest.—Philadelphia Press.

To the Public.

Allow me to say a few words in praise of Chamberlain's Cough Remedy. I had a very severe cough and cold and feared I would get pneumonia, but after taking the second dose of this medicine I felt better, three bottles of it cured my cold and the pain in my chest disappeared entirely. I am most respectfully yours for health. Ralph S. Meyers, 63-Thirty-seventh St., Wheeling, W. V. For sale by Slocum Drug Co.

A Thanksgiving Dinner.

Heavy eating is usually the first cause of indigestion. Repeated attacks inflame the mucous membranes lining the stomach, exposes the nerves of the stomach, producing a swelling after eating, heart burn, headache, sour risings and finally catarrh of the stomach. Kodol relieves the inflammation, protects the nerves and cures the catarrh. Kodol cures indigestion, dyspepsia, all stomach troubles by cleansing and sweetening the glands of the stomach.

The State of South Carolina has only one creamery and farm lands there are worth from \$10 to \$30 per acre. The State of Iowa has 850 creameries and farm lands are worth from \$70 to \$100 per acre.

At Charleston, S. C., on the 1st inst., Mrs. Carrie Nation, with a right hand swing on the jaw, knocked down a cadet of the South Carolina Military Academy because he was smoking a cigar on the street. Mrs. Nation, when the cadet drew back to return her blow, shouted: "Come on; I am Garrie Nation!" Mrs. Nation dined at a restaurant with a bartender. This woman is clearly a lunatic, and ought to be placed under restraint.

LOCAL SHEEP NOTES.

Lamb Market is About Over—Surplus Worked off.

"The lamb market is pretty well over," said a prominent sheepman to a GAZETTE representative this week.

The sheep are now getting settled on winter pasture, and a part of the surplus of lambs has been worked off.

The following sales are reported:

A. Andrews bought 1300 mixed lambs of Geo. Perry, of Lone Rock for \$1.75 per head. This is considered a fancy price.

B. P. Doherty bought a lot of lambs of Lawrence Sweek for \$1.80 per head. Frank Elder purchased a lot of lambs from Mrs. Davis. The GAZETTE was unable to learn the price.

Mr. Barker, of Butter creek purchased 1700 mixed lambs of Andrew Neal, of Lone Rock, for \$1.65 per head.

Mike Marshal sold 2000 yearling wethers for \$2.25 per head.

"Last winter an infant child of mine had croup in a violent form," says Elder John W. Rogers, a Christian Evangelist, of Filley, Mo. "I gave her a few doses of Chamberlain's Cough Remedy and in a short time all danger was past and the child recovered." This remedy not only cures croup, but when given as soon as the first symptoms appear, will prevent the attack. It contains no opium or other harmful substance and may be given as confidently to a baby as to an adult. For sale by Slocum Drug Co.

The Oregon Land & Livestock Company has filed articles of incorporation with the County Clerk of Lane county. The capital stock of the company is \$1,000,000, and the principal place of business is Eugene. The incorporators are R. A. Booth, John F. Kelly and George H. Kelly. The objects of the incorporation cover nearly everything in the livestock business. This company has been formed by members of the Booth-Kelly Lumber Company, and is for the purpose of developing a portion of the property of that company, recently acquired from the Military Wagon Road Company, and the new company will take all that portion of the land grant east of the Cascade Mountains which has been found to be more valuable for stockraising than for timber. An extensive industry is thus to be developed.

If you are bilious and seeking advisers, Take DeWitt's Little Early Risers, Just before going to bed. You will find on the morrow That you are rid of your sorrow—That's all; just enough said. These famous pills do not gripe, but move the bowels gently and easily, cleansing the liver. Their tonic effect gives strength to the glands, preventing a return of the disorder.
