

Busy Days At Pilot Rock.

The Badger mine at Susanville has now on the road 11 four-horse teams, one eight-horse team and six ordinary teams, in all 64 horses, engaged in hauling concentrates to Pendleton and taking out supplies for mine and men on the homeward trip.

The freighters leave much money in Pendleton and the various stopping places on the way in payment for feed and blacksmithing bills and other necessary expenses. They make possible the existence of a second saloon at Pilot Rock, and the first at Alba, the claim being that the two resorts would be out of business were it not for the biolous tendencies of the freighters. Business is good at the wayside inns, and everybody is glad that the Badger is sending its concentrates this way. One day a short time ago, at the halfway house kept by Archie Hascall, on Bridge creek, between Pilot Rock and Alba, there were 42 horses being fed at noon hour, every one belonging to a freighting outfit going to or from the John Day.

The Badger now regularly employs over 50 men, in addition to the freighters, who work under contract. The teamsters all prefer hauling to Pendleton rather than to Baker City, though the latter point is much nearer the mine. Heppner is working hard to secure the trade of the district.—Pilot Rock correspondence Grant County News.

To the Public.

Allow me to say a few words in praise of Chamberlain's Cough Remedy. I had a very severe cough and cold and feared I would get pneumonia, but after taking the second dose of this medicine I felt better, three bottles of it cured my cold and the pains in my chest disappeared entirely. I am most respectfully yours for health. Ralph S. Meyers, 63-Thirty-seventh St., Wheeling, W. V. For sale by Shoenm Drug Co.

How long will it take the man to fill the sack if he does not stop the leak? To attempt to nourish the body when the stomach is diseased is like trying to fill the sack with the hole in it. When the stomach and other digestive and nutritive organs are diseased, there is a constant loss of nutrition. Enough is eaten but the body loses flesh,—plain proof that the food eaten is largely wasted because it is not digested and assimilated. Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It stops the leaks by which nutrition is lost, and enables the building up of the body by the nutrition derived from food. The gain in weight proves the cure. "Three years ago I was taken sick with what the doctor called nervousness and indigestion," writes Mrs. Warren E. Parker of Orange Street, Nantucket, Mass. "He gave me medicine for the trouble, but I could not eat even a little toast or oatmeal without suffering severely. In a few months I began to have distressing pains right in the pit of my stomach. I called the doctor again and he said I had catarrh of stomach; gave me medicine but it did not do any good. I lost 25 pounds in three months. I then commenced taking Dr. Pierce's medicine and soon began to feel better. I have taken six bottles of 'Golden Medical Discovery,' two of 'Favorite Prescription' and six vials of Dr. Pierce's Pellets. I have gained ten pounds. Can eat everything."
