

IN MEMORY OF DEAD.

Elks Memorial Services Were Very Impressive.

The regular annual memorial services conducted by Heppner Lodge No. 358, B. P. O. E., at the opera house, Sunday last, were very impressive, there being a large attendance.

The beautiful and touching public ritualistic ceremonies were carried out perfectly, leaving the impression that the jolly Elks to the outside world have within their mystic, bonds of protection and benevolence that form a great foundation for the elevation of mankind.

The program as published in last week's GAZETTE was carried out to the letter as follows:

Orchestra—Opening Ode—Prayer, Rev. F. C. Adkins—Address, Hon. Henry Blackman—Quartette, Messrs. Akers, Martin, Howard, Landell—Poem, "Thanatopsis," James Hart—Song, Miss Emma Welch—Memorial address, J. H. Raley, of Pendleton—Orchestra—Song, Mrs. Smith—Closing ceremonies—Doxology.

The main feature of the services was the memorial address by J. H. Raley. Mr. Raley's touching language deeply impressed every listener with the grand principles and noble thoughts that actuated the Elks to at least once a year meet in loving remembrance of the brothers who have passed to the other shore. The speech was a masterly effort.

Hon. Henry Blackman delivered a brief introductory speech in which the objects of the meeting were explained.

The music, both vocal and instrumental, was most excellent.

WORK RESUMED.

Contract for 100 Feet of Tunnel Work at Arbuckle Mines.

Work has again been resumed at the Arbuckle coal mines. The Arbuckle Coal and Transportation Company has let a contract for 100 feet of tunnel work on one of the seams. Work has already been started on the contract and will be pushed through during the winter.

The Arbuckle coal company is composed of Heppner people who are enthusiastic over bright prospects.

Since the strike of the Heppner Railroad and Coal Company, interest in coal mining has been renewed.

MORROW COUNTY LEADS.

W. O. Minor's Rolando Wins First in Chicago.

Chicago, Dec. 4.—Transit House, Union Stock Yards. To Minor & Co., Heppner, Oregon. Rolando won first. Topped the sale. Home 17th. Cattle follow.

W. O. MINOR.

The above telegram, which was received this week, is something of which Morrow county and the State of Oregon, can feel justly proud. It shows that Morrow county can produce some of the finest cattle in the world, and reflects great credit upon the ability and enterprise of Mr. Minor.

The International Fat Stock Show is one of the biggest exhibitions in the world. Not only the best cattle in the United States, but the best from foreign countries, are exhibited.

Mr. and Mrs. R. C. Willis, were passengers yesterday morning, for Corvallis, where they will stay for some time.

Our Holiday stock is prettier, finer and a better selection than ever before seen in Heppner. Patterson & Son, up-to-date Druggists.

"The Man with the Hoe," or "Is Edward Markham Right," is the subject on which Charles Wentworth, formerly of Rockford, Illinois, will deliver a lecture at the Opera House, Friday evening, December 19. Mr. Wentworth is an enterprising young man of ability. His accomplishments indicate that the lecture, which is an interpretation of Millet's famous painting, is replete with instructive thought and feeling pathos; sparkling with brilliant wit and humor, and in every way deserving of a large hearing. Admission 35 cts. Reserved seats 50 cts. Children under 12 years 15 cts. Tickets at Conser & Ayers.

MAYFLOWER MINES.

Manager Stalter Will Return to the Mines in a Short Time.

Dan Stalter, president of the Heppner Mining Co., who has been at the Mayflower mines, in the Greenhorn district, superintending development work, who came in last week to look after some business for the company, is making preparations to return to the mines in a short time.

Mr. Stalter left Greenhorn on the 21st of last month. At that time there was two feet of snow at the mines, but none at Susanville, eight miles below. The mines are about 7000 feet above sea level.

Mr. Stalter left two men on tunnel work on the Illinois, where they have been working for some time, having completed about 200 feet. The miners are now working on a spur of the main lead, which is 18 inches wide and very rich. They crossed the main lead, which is 15 feet wide, at a depth of 200 feet.

Ore from the spur assayed as high as \$348 to the ton right from the surface. Mr. Stalter brought in some of this rock which is now on exhibition at the First National Bank.

Work for the winter will be confined to the Illinois, where there is about 400 feet of tunnel to be run, to get under a 60 foot shaft, which will tap the lead at 150 feet from the surface.

Mr. Stalter is enthusiastic over the prospects and says that a mill will be put in if the ore continues to be free milling.

In speaking of the matter, Mr. Stalter said: "We have a mine, and we are sure of it, but the extent has not been fully determined."

At the Courthouse

Plastering in the upper story of the court house is now about finished. The heating apparatus is in position, and the building is now being heated by steam. The new clock has not yet arrived. Outside work was abandoned the forepart of the week, on account of stormy weather.

A grand Bazar and Supper, by the Ladies Guild of the Episcopal church, will be held at the Opera House, Wednesday, December 17th. A very fine assortment of fancy and useful articles, suitable for Christmas presents for young and old, will be offered for sale at very low prices. A very fine chicken and turkey supper will be served from 5:30 until 9 p. m. Supper 25c. Everybody invited.

Sunday night's six inch snow-fall soon disappeared from the effect of the welcome Chinook. In the mountains the snowfall was very heavy. The ground is thoroughly soaked with water. Willow creek is higher than at any time since last spring.

"Never saw so much mud," is a common expression among the oldest residents. Heppner's streets are a sea of mud earth and water mixed in about equal quantities.

A. M. Foster and family were incoming passengers, Tuesday evening. Mr. Foster formerly resided in Wheeler county, but has been in the Palouse country for the past seven months. He is now looking for a farm and will locate in Morrow county.

San Souci Rebekah lodge, of this city, installed five candidates into the mysteries of the order, at the regular meeting last Thursday evening. During a recess after the initiatory work, a number of the members of Willow Lodge, No. 66, I. O. O. F., completely surprised the ladies by demanding admission. The three linkers had with them a fine lunch which was an important part of a very pleasant evening. Both lodges are now in a very prosperous condition.

Ham Burehell, of near Lexington, narrowly escaped from being killed, Tuesday evening of last week, while going to Lexington with a load of wheat. In driving over a rough piece of road he was thrown from his wagon and fell to the road. The wheels of the heavily loaded wagon pressed him against an embankment and it was almost a miracle that he was not run over. He was badly crushed and bruised, but will recover. Dr. McSwors was called and attended the injured man.

Several cases of measles are reported in the city.

Geo. J. Currin, of Ione, was in the city, Tuesday.

Susanville and Galena are coming to the front in the mining world. Only last week, eight Eastern capitalists arrived there to look at the mines and prospects, with a view to investing. One was from New York, three from Chicago and four from Pennsylvania.—Long Creek Ranger.

Frank Wilkins was seriously hurt in this city, yesterday, by being run over by a heavily loaded wagon. Mr. Wilkins was driving up to Stecum's chop mill with a load of grain and four horses. When near the mill the horses got scared and made a short quick turn, breaking the tongue out of the wagon. Mr. Wilkins, fearing that the wagon would turn over, attempted to jump to the ground when the horses were turning. One of the frightened animals struck him and he was thrown under the wheels. The flesh for about four inches, was torn from his leg, between the ankle and knee, and he was badly bruised about the hip. Fortunately no bones were broken. His injuries were very painful. Dr. Higgs is attending him.

Sick Blood

Feed pale girls on Scott's Emulsion.

We do not need to give all the reasons why Scott's Emulsion restores the strength and flesh and color of good health to those who suffer from sick blood.

The fact that it is the best preparation of Cod Liver Oil, rich in nutrition, full of healthy stimulation is a suggestion as to why it does what it does.

Scott's Emulsion presents Cod Liver Oil at its best, fullest in strength, least in taste.

Young women in their "teens" are permanently cured of the peculiar disease of the blood which shows itself in paleness, weakness and nervousness, by regular treatment with Scott's Emulsion.

It is a true blood food and is naturally adapted to the cure of the blood sickness from which so many young women suffer.

We will be glad to send a sample to any sufferer.

Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.
