GOOD OUTLOOK

FOR WOOL RECEIPTS FOR THE COMING YEAR.

A Large Amount of Wheeler County Wool Will be Freight to Heppner.

The outlook for wool for the season of 1903 is good so far as receipts are concerned for Heppner. In the neighborhood of 150,000 pounds of Wheeler county wool that went to Shaniko and The Dalles will be brought to Heppner this year, for the reason that last year proved that Heppner is one of the best wool markets in Eastern Oregon. John Spray will erect large shearing sheds at Spray where from 15,000 to 20,000 sheep will be driven from Wheeler county ranges and sheared and this wool will be freighted to Heppner because it is nearer and the market is satisfactory. Most of the sheep that will be driven to Spray will come from the Sixshooter mountain country.

Heppner wool dealers will make a greater effort this year than ever before to secure the wool that is tributary to this place. The sealed bid method of buying wool introduced for the first time last year by the enterprising wool dealers, the Morrow County Land & Trust Co. of this city, was a great success, and wool sold here brought every cent that it was worth which is a fact that could be expected in any market.

There is every indication that wool receipts in this city this year will be large.

Wentworth-Bisbee.

On the 24th inst. occurred one of the most auspicious and happy society events in the history of Heppner, the wedding of Rev. Charles Wentworth and Miss Lillian Mae Bisbee, at the beautiful home of the bride's mother, Mrs. Julia Bisbee.

Promptly at eight p. m. Miss Lela Campbell, at the piano, struck up the sweet strains of the wedding march.

Rev. H. L. Beigitol, pastor of the M. E. church, lead the party, followed by the groom and Mr. Louis Bisbee, as best man. The bride was accompanied by Miss Nellie Ireton, of Moscow, Idaho, as bridesmaid.

The contracting parties took their places under a wedding well of evergreen, arbor vitae and Oregon grape.

The preacher read the stately ceremony of the church in a calm and even voice and pronounced the words that made this worthy and honored young couple, man and wife.

After congratulations, all repaired to the dining room, where a delicious wedding luncheon was served.

The bride is a native of Heppner, a graduate of the High School here, and completed her education in Portland Business College and Portland University. From childhood Miss Bisbee has been a devoted Christian, and a leader in the Christian life and activity among the young people of her church and will doubtless be a strong factor in the ministerial success of her husband.

She will undoubtedly be missed from the charming home in which she has shed so much of joy and light, and yet her mother in giving such delightful womanhood to the world, must surely feel some of the pride of that Roman matron, Cornelia, who exhibited her sons, who afterwards played such prominent parts in the history of their country, and said, "These are my jewels."

The groom is a native of Pennsylvania but has spent several years of his life in Oregon. He attended Portland University, where he made the acquaintance which terminated into this happy event. Since that time he has attended Northwestern University in Evanston, Ill., and graduated from that institution last year.

At present he is pastor of the M. E. church at Sheboygan Falls, Wis. It has 250 members and is the strongest in

the city. Though young in years Mr. Wentworth has attained prominence in his church, for his ability in the pulpit and on the platform. He also possesses a rich sweet voice and by this has quite an easy access to usefulness in the evangelistic field. Being of an affable and jovial, yet thoughtful disposition he has an easy approach to the people and thus every omen of success in his chosen calling.

The bride was attired in a beautiful gown of cream silk pean de crepe, with chiffon and applique trimming, and wore "lilies of the valley" in her hair. Miss Ireton's dress was of pink silk with trimming of all-over lace. The groom and groomsmen were attired in conventional black.

There were thirty guests present.

The wedding tour will include a few days among friends at Portland and Eugene. Then a brief visit to San Francisco, Los Angeles, New Orleans and Chicago. At this last place they will visit Rev. Henry Rasmus, a former pastor here and at present in charge of one of the largest congregations in that city. They will then take up their residence in their newly furnished and decorated parsonage at Sheboygan Falls.

BASKET BALL.

Minor & Co's. Team Victorious in Interesting Game.

The match game of basket ball on Christmas night between Minor & Co's team, composed of the clerks in Minor & Co's store and Blake's select team, which was very interesting and hotly contested, resulted in a victory for the clerks by a score of 21 to 29. The game was played for an oyster supper which was paid for by the losing team.

Another game is arranged for tonight for an oyster supper by the same teams. Following as the line up:

MINOR & CO'S TEAM.

Jas. Hart, c.; Guy Minor, Hiram Wickersham, f.; Will Ball, Louis Bisbee, guards.

BLAKE'S TEAM.

John Blake, c.; Elmer Spaulding, Ralph Swinburne, f.; Orva Rasmus, E. Lalande, guards. Harry Shaw, referee.

MARRIED.

STANTON-TASH—At the home of the bride's parents, Hardman, Oregon, at high noon, Sunday, December 28, 1902, Mr. Owen Stanton and Miss Olive Tash, Rev. F. C. Adkins, of Heppner, officiating.

After the wedding ceremony an elegant dinner was served. A large number of invited guests were present.

Fire Clay Deposits.

Heretofore all the vast amount of fire clay used in Oregon has been imported, necessitating the sending abroad of a large amount of money every year. It is probable that this will not be necessary much longer, as an inexhaustible deposit of fire clay of the best quality has been discovered in this state. The location of the deposit has not been made public, as the discoverer is desirous of securing title to the ground before others have an opportunity to interfere. One who has seen the deposit says that the discoverer has had the clay analyzed and that it was found to be first-class, much better than most of the imported clay. The development of this deposit will be a great benefit to Portland and the whole Northwest.—Oregonian.

In the Morrow county coal fields, upon Dutch Creek flats, there are acres of the fire clay and there is no secret about it.

FOR A RAILROAD

SURVEYOR MCGEE IS NOW RUNNING THE LINES

From the O. R. & N. Depot to Connect With the Survey up Willow Creek.

Surveyor J. J. McGee with a force of men is now engaged in running several lines of survey for the Heppner Railroad & Coal Company for a railroad to connect with the O. R. & N. at the latter named company's depot. The survey now being made will connect with the survey for a road up Willow creek to the Willow creek coal mines.

The matter of a franchise is now before the city council of Heppner and the lines are being run so that the city fathers may thoroughly understand the location of any line asked for.

At the last regular meeting of the council an ordinance was introduced for the granting of a franchise up Morgan and Gale streets to May street, and down May street to Court, to connect with the former survey of the Heppner Railroad & Coal Company.

Mr. McGee will make this survey and also run another line to go from the depot around by the Heppner flouring mill.

As it will be necessary for the matter to come before two more regular meetings of the council, it will be some time before the permanent survey can be finally determined.

REMARKABLE CURE OF CROUP. A Little Boy's Life Saved.

I have a few words to say regarding Chamberlain's Cough Remedy. It saved my little boy's life and I feel that I cannot praise it enough. I bought a bottle of it from A. E. Steers of Goodwin, S. D., and when I got home with it the poor baby could hardly breathe. I gave the medicine as directed every ten minutes until he "threw up" and then I thought sure he was going to choke to death. We had to pull the phlegm out of his mouth in great long strings. I am positive that if I had not got that bottle of cough medicine, my boy would not be on earth today.—JOEL DEMONT, Inwood, Iowa.
