**To Forget the Past.**

Durban, Natal, Dec. 26.—Colonial Secretary Chamberlain and Mrs. Chamberlain, who left Portsmouth, England, November 25, on board the armored cruiser Goodhope, landed here at 10:30 this morning. They received a warm welcome from large crowds of people.

The two speeches made by Mr. Chamberlain in the course of the recent landings were notable for their straightforwardness and his expression of confidence in Lord Milner, British Commissioner in South Africa. Bearing in mind, seemingly, the rumors that his visit would lead to the displacement of Lord Milner, Mr. Chamberlain declared his belief that his visit would have the effect of strengthening the hand of Lord Milner, who, he hoped, would be as great in conciliation as he had been in the maintenance of the rights of the empire.

Referring to the war, the Colonial Secretary said the Dutch and the British had fought in courageous rivalry. Between the two races, not kindred in origin or nature, such a struggle for supremacy had been inevitable. From that struggle two proud and kindred races would grow in mutual respect, appreciating and lasting friendship.

**A Scientific Discovery.**

Kodol does for the stomach that which it is unable to do for itself, even when but slightly disordered or over-loaded. Kodol supplies the natural juices of digestion and does the work of the stomach, relaxing the nervous tension, while the inflamed muscles of that organ are allowed to rest and heal. Kodol digests what you eat and enables the stomach and digestive organs to transform all food into rich, red blood. Slocum Drug Co., Ione Drug Co., Ione.

**Americans Buy up Leather.**

Vienna, Dec. 28.—The Austrian manufacturers have decided to advance the price of shoes 10 per cent on account of higher cost of leather. They claim this

step is due to extensive purchases of hides in the European markets by Americans who have practically cleaned out the Continental stocks. The Austrians also profess to see increased danger to the European shoe industry from America, owing to the U. S. government refunding 69 per cent of the tariff on the raw article when manufactured and exported. They complain that this procedure is too greatly facilitated by Secretary Shaw's order admitting proof of identity by simple declaration instead of by affidavit.

**Unconscious From Croup.**

During a sudden and terrible attack of croup our little girl was unconscious from strangulation, says A. L. Spafford, postmaster, Chester, Mich., and a dose of One Minute Cough Cure was administered and repeated often. It reduced the swelling and inflammation, cut the mucus and soon the child was resting easy and speedily recovered. It cures Coughs, Colds, La Grippe, and all Throat and Lung troubles. One Minute Cough Cure lingers in the throat and chest and enables the lungs to contribute pure, health-giving oxygen to the blood. Slocum Drug Co., Ione Drug Co., Ione.

**To Advertise Clackamas.**

Oregon City, Or., Dec. 26.—The first big effort that has been made for a long time to advertise Clackamas county in the East was made today, when C. N. Plowman & Co., a real estate firm of this city, contracted for the printing of 10,000 16-page descriptive pamphlets. This matter will be distributed and circulated widely in the Eastern and Middle Western States, and it is believed will be the means of bringing hundreds of settlers to this county. It is likely that within a short time other people interested in bringing immigration to this locality will begin to advertise this section.

**Fitz Knocks Out His Man.**

Butte, Mont., Dec. 26.—A special to the Miner from B. Zeman says that Robert Fitzsimmons knocked out Mike Ranke, the heavy-weight fighter of Eastern Montana, 15 seconds after the bell had sounded for the second round. Ranke weighed 199 pounds, and went down before a heavy jab on the jaw. Jefferies did not appear. It is understood he will train before meeting any one again with a forfeit up.

"Some time ago my daughter caught a severe cold. She complained of pains in her chest and had a bad cough. I gave her Chamberlain's Cough Remedy

according to directions and in two days she was well and able to go to school. I have used this remedy in my family for the past seven years and have never known it to fail," says James Prendergast, merchant, Annate Bay, Jamaica, West India Islands. The pain in the chest indicated an approaching attack of pneumonia, which in this instance was undoubtedly warded off by Chamberlain's Cough Remedy. It counteracts any tendency of a cold toward pneumonia. Sold by Slocum Drug Co.

**Cold in the South.**

Louisville, Ky., Dec. 26.—The cold weather which has prevailed throughout the South yesterday and today continues tonight. The lowest temperature reported is from Anniston, Ala., where the thermometer registered 14 degrees above zero.

"If women would pay more attention to their health we would have more happy wives, mothers and daughters, and if they would observe results they would find that the doctors' prescriptions do not perform the many cures they are given credit for."

"In consulting with my druggist he advised McElree's Wine of Cardui and Theodor's Black-Draught, and so I took it and have every reason to thank him for a new life opened up to me with restored health, and it only took three months to cure me."

Wine of Cardui is a regulator of the menstrual functions and is a most astonishing tonic for women. It cures scanty, suppressed, too frequent, irregular and painful menstruation, falling of the womb, whites and flooding. It is helpful when approaching womanhood, during pregnancy, after childbirth and in change of life. It frequently brings a dear baby to homes that have been barren for years. All druggists have \$1.00 bottles of Wine of Cardui.
