Creditable Edition.

Heppner Times.

The Gazette's New Year number reflects much credit upon the proprietors of that journal. It is replete with information regarding the various resources and industries in Morrow county, and, if properly distributed, will result in a great benefit to the county. Most every section of the county is represented in this issue. Among the many articles we note meritorious ones from Lena, Ione, Lexington, Hardman and Eight Mile. E. M. Shutt contributed a very able article on the industrial possibilities of our county, and E. L. Freeland as ably presents Heppner's organizations of fraternity. The livestock, agricultural and the mining industries are very liberally and accurately treated, while the prospects of the city of Heppner and Morrow county is a concise and truthful statement. In "round numbers," it is a very creditable edition.

Enterprising Spirit.

The Dallas Chronicle.

The Heppner Gazette is one of our most energetic country exchanges and not the least among the proofs of that energy is the fact that under the most trying circumstances, when the present management had just taken hold of the business, they published one of the neatest little new year's editions we have seen for many a day. This year they come out again with a comprehensive special number advertising their city, and the country tributary. It exhibits an enterprising spirit which augurs well for the town in which they are located.

Good Holiday Number.

Evening Telegram.

The Heppner Gazette published a thoroughly good holiday number, setting forth the advantages of Morrow county. The county is described by districts, and the showing is an excellent one. The resources of that section, which are mainly stock and agricultural, are in a state of unexampled prosperity, according to the Gazette.

Fine Number.

Prineville Review.

The New Year's number of the Heppner Gazette is a fine one. The articles descriptive of Morrow county and her resources are ably written. If the people of that county are wise, a large number of copies will be sent to their eastern friends, where they will do a great deal of missionary work.

Up to Date.

Dallas Times-Mountaineer.

The Heppner Gazette issued a very creditable New Year edition of 24 pages devoted principally to describing Morrow county. Warnock & Michell, the publishers, are right up to date.

THREE LINKERS.

DEDICATE THEIR NEW HALL AT HARDMAN.

Impressive Ceremonies Were Carried Out Nicely--Public Installation of Officers.

Odd Fellows are numerous and prosperous in Morrow county.

It is not often that two new lodge halls are dedicated within one week, in a small district, but such is the record of the three linkers of Morrow county.

The new lodge hall erected by Lone Balm lodge, I. O. O. F., of Hardman, was dedicated last Saturday evening.

Saturday afternoon, the officers of the Rebekahs and Odd Fellows were publicly installed.

The beautiful dedicatory ceremonies were conducted in the evening.

Geo. Noble, of Heppner, presided. The most beautiful ritualistic work was carried out in such a way as to reflect great credit upon the members of Lone Balm lodge for their interest in committing the work perfectly.

After the dedicatory ceremonies a grand lunch was served.

A number of Heppner Odd Fellows and Rebekahs attended and all speak very highly of their treatment at the hands of the Hardman Odd Fellows and Rebekahs.

At the Courthouse

Business for the week has been a little more quiet than usual at the court house.

County Clerk Crawford is now engaged in making his annual report to the secretary of state of the current expenses of Morrow county.

A Movable Fort.

One of the latest inventions for service in war times is called the war motor. Being built on wheels it can be operated by a very few men, and is strongly recommended for season defense. The only medicine that is strongly recommended by thousands of grateful people, who have used it as a defense against all stomach, liver and kidney complaints, is Hostetter's Stomach Bitters. It cured them and will not fail in your case. Try it, if you are a sufferer from loss of appetite, headache, insomnia, indigestion, dyspepsia, torpid liver, constipated bowels, or kidney troubles, and you will not be disappointed. Ask your druggist for a copy of our 1903 Illustrated Almanac. It contains much valuable and useful information and is free of charge.
