Unconscious From Croup.

During a sudden and terrible attack of croup our little girl was unconscious from strangulation, says A. L. Spafford, postmaster, Chester, Mich., and a dose of One Minute Cough Care was administered and repeated often. It reduced the swelling and inflammation, cut the mucus and soon the child was resting easy and speedily recovered. It cures Coughs, Colds, La Grippe, and all Throat and Lung troubles. One Minute Cough Care lingers in the throat and chest and enables the lungs to contribute pure, health-giving oxygen to the blood. Slocum Drug Co. Ione Drug Co., Ione.

The healthy woman need not fear the change which comes at the beginning of life's autumn. It is the woman who is worn out, run down and a sufferer from womanly diseases who naturally dreads the change of life. This is the critical period of woman's life, and the prevalence of womanly diseases makes it the duty of every woman who would avoid unnecessary suffering to take especial care of herself at this time.

MANY MILLIONS. To be Expended by the American Railroads Next Year.

New York, Jan. 23.—Expenditures for railroad betterments and extensions during 1903 will exceed \$300,000,000. The Pennsylvania work alone, which will begin in a short time, will amount to \$89,000,000. Of this sum the Pennsylvania budget sets aside \$30,000,000 for immediate use in New York City, and a large portion of this will be used in taking options on real estate. The New York Central will spend fully \$25,000,000 in this city alone. The Baltimore & Ohio Railroad Company has decided to spend \$40,000,000 in addition to the \$80,000,000 already expended.

The seven Pacific directors have decided to continue the expenditures on that system on a par with the previous year. The total amount of these will approximate \$40,000,000. The directory of the Chicago & Rock Island has decided to spend \$2,000,000 in improvements on the lines in Iowa and Nebraska and as far west as Denver. Atchison interests are to spend \$2,000,000 in the construction of new lines in Oklahoma, consisting of about 1000 miles of road, touching all the principal points in Oklahoma.

Mrs. Laura S. Webb, Vice-President Woman's Democratic Club of Northern Ohio. "I dreaded the change of life which was fast approaching. I noticed Wine of Cardui, and decided to try a bottle. I experienced some relief the first month, so I kept on taking it for three months and now I menstruate with no pain and I shall take it off and on now until I have passed the climax." Female weakness, disordered menses, falling of the womb and ovarian troubles do not wear off. They follow a woman to the change of life. Do not wait but take Wine of Cardui now and avoid the trouble. Wine of Cardui never fails to benefit a suffering woman of any age. Wine of Cardui relieved Mrs. Webb when she was in danger. When you come to the change of life Mrs. Webb's letter will mean more to you than it does now. But you may now avoid the suffering she endured. Druggists sell \$1 bottles of Wine of Cardui.

Portland papers say that the city jails of that place are pest houses, on account of the prevalence of disease among prisoners.

REMARKABLE CURE OF CROUP.

A Little Boy's Life Saved. I have a few words to say regarding Chamberlain's Cough Remedy. It saved my little boy's life and I feel that I cannot praise it enough. I bought a bottle of it from A. E. Steere of Goodwin, S. D., and when I got home with it the poor baby could hardly breathe. I gave the medicine as directed every ten minutes until he "threw up" and then I thought sure he was going to choke to death. We had to pull the phlegm out of his mouth in great long strings. I am positive that if I had not got that bottle of cough medicine, my boy would not be on earth today.—JOEL DEMONT, Inwood, Iowa. For sale by Slocum Drug Co.
