A FRANCHISE IS GRANTED

To Heppner Railroad and Coal
Company.

THE VOTE WAS UNANIMOUS

Road Will Follow the Grade of
Willow Creek and Connect
With Previous Survey.

The city council met in regular session
at the city hall Monday evening with
Mayor Gilliam in the chair.

Councilmen Noble, Rhea and Cohn
answered to roll call. Absent, Roberts,
Farnsworth and Quaid.

This was an interesting meeting and
was attended by quite a number of
citizens for the reason that final action
was to be taken on the question of grant-
ing a railroad franchise to the Heppner
Railroad & Coal Company to construct
a railroad from the depot through the
city to connect with the Willow Creek
surveys.

When the franchise question came up,
C. E. Redfield, representing the Heppner
Railroad & Coal Company, offered
an amendment to the original ordinance.

The original ordinance designated the
franchise for the road to go up Gale
street to May street, and from May
street to Court street.

The amendment offered by Mr. Red-
field was for a change of the franchise
for the line to go from the depot and
follow Willow creek to connect with the
previous survey.

A map showing the route was pre-
sented. The amendment was adopted
by a unanimous vote.

Mayor Gilliam asked the council if
they desired to act on the ordinance.

Councilman Geo. Noble stated that he
preferred to have a more complete rep-
resentation of the council before taking
action on this important question.

Mayor Gilliam in an address to the
council stated that he was not in favor
of the council consisting of only four
members passing on the question.

By motion, a recess was declared
until Tuesday to take final action.

As to the requests of the company, no
opposition was offered by any one, the
delay being caused by a desire for deli-
berate and careful action.

Petitions of Mike Roberts, Frank
Natter and D. Matlock for renewal of
liquor licenses, granted.

Following bills were allowed:

Rhea & Welch	65
Light & Water Co.	97 50
Heppner Transfer Co.	9 50
Henry Nicholas	4 92
Milt Brown	2 13
Geo. Thornton	19 00
J. W. Matlock	41 00
P. C. Creswell	61 00
Frank Natter	20 00
J. P. Williams	16 65
L. W. Briggs, salary and interest	358 83

As per adjournment the council met
again Tuesday evening to take up the
matter of the franchise.

Mayor Gilliam and Councilmen Noble,
Rhea, Quaid and Cohn answered to roll
call.

The ordinance for the change in the
route for the road was introduced as or-
dinance No. 99, making a new ordinance.

By motion of Councilman Rhea, the
rules were suspended and the new or-
dinance was read second and third
times and placed on final passage.

The vote for granting the franchise
was unanimous.

By motion of Councilman Noble, or-
dinance No. 98 was postponed indefi-
nitely. Following is the ordinance in
full as passed:

ORDINANCE NO. 99.
An ordinance authorizing and empow-
ering the Heppner Railroad and Coal
Company, a corporation, to build, con-
struct, operate and maintain a railroad

on certain streets of the city of Hepp-
ner.

The people of the city of Heppner do
ordain as follows:

Section 1. The Heppner Railroad
and Coal Company, a corporation, its
successors and assigns, are hereby
granted the right, privilege, power and
authority to build, construct, operate,
run, repair and maintain a railroad for
the general carrying business of pas-
sengers, freight, baggage, express and
mail on, over and across County road,
Water street, Main street, Baltimore
street, Center street, May street, Court
street, August street, Cannon street,
and South Center street, within the cor-
porate limits of the City of Heppner, in
accordance to Line No. 2, on map sub-
mitted to Council and which map is
made a part of this ordinance.

Section 2. The Heppner Railroad
and Coal Company, its successors and
assigns, shall repair and restore all
streets which may be excavated, dis-
turbed or disrupted by them, in build-
ing, constructing, operating, maintain-
ing and repairing said railroad, without
unnecessary delay, in as good order and
condition as said streets were at the
time said Heppner Railroad and Coal
Company, shall excavate, disturb or dis-
rupt them, and the said Heppner R. R.
& Coal Co, its successors and assigns,
shall at all times keep said streets on,
over and across where said road shall be
built, constructed and operated within
the limits of said road bed, in good
repair.

Section 3. The said Heppner Railroad
and Coal Company, its successors and
assigns shall commence the construction
of said railroad within one year from
the date of granting this franchise, and
shall complete the building and con-
struction of the same through the cor-
porate limits of said city, within two
years from the date of granting this
franchise.

Section 5. The rights and privileges
granted by this franchise shall continue
and remain in force forever.

Passed and approved February 3, 1903.

Sick Blood

Feed pale girls on Scott's
Emulsion.

We do not need to give all
the reasons why Scott's
Emulsion restores the strength
and flesh and color of good
health to those who suffer
from sick blood.

The fact that it is the best
preparation of Cod Liver Oil,
rich in nutrition, full of healthy
stimulation is a suggestion as
to why it does what it does.

Scott's Emulsion presents
Cod Liver Oil at its best,
fullest in strength, least in
taste.

Young women in their
'teens' are permanently cured
of the peculiar disease of the
blood which shows itself in
paleness, weakness and nervous-
ness, by regular treatment
with Scott's Emulsion.

It is a true blood food and
is naturally adapted to the cure
of the blood sickness from
which so many young women
suffer.

We will be glad to send
a sample to any sufferer.

Be sure that this picture in
the form of a label is on the
wrapper of every bottle of
Emulsion you buy.

To Push Immigration Bill.

Washington, Jan. 30.—Senators Pen-
rose, Lodge and Fairbanks, leading
members of the Senate committee on
immigration, who have in charge the
immigration bill, have been in con-
ference today with other members of
the Senate with a view to obtaining
an agreement on the bill whereby its
passage can be secured. Senator
Lodge, who was the special champion
of the educational test for immigrants,
has agreed to allow that the provision
be withdrawn, providing that unanimous
consent be given for the passage of the
bill after the amendment is withdrawn.
There are, however, a few Senators
who are not satisfied, and who may
oppose the bill, even with the edu-
cational provision eliminated. It is
generally believed that the passage of
the bill is impossible, unless all op-
position can be removed.

Bitter Cold in Alaska.

San Francisco, Jan. 30.—Alaska is
undergoing the severest Winter that has
visited the Northern country in 20 years.
Even the Eskimos, who are accus-
tomed to the cold, are suffering. The
little cod-fishing schooner Pearl, which
has arrived from the North, brings news
of the condition of affairs in the ice-
bound land. The Pearl comes from
Unga, Alaska, with 18,000 codfish. Her
officers state that the thermometer at
Unga fluctuated between 10 and 12 deg.
below zero. Snow has fallen, cover-
ing the ground to a great depth. The
white men residing in Unga were great-
ly affected by the cold. The crew of
the Pearl also suffered.

The Pearl had a hard time fighting
her way out of the ice. For 16 days the
schooner lay motionless in an ice field,
200 miles from Unga. Only by strenuous
efforts was Captain Ipsen able to free
his vessel from the pack and reach open
water.
