PLATT SAYS IT IS A LIE

Senator Denies He Is Mixed Up
in Postal Scandal.

NOT IN BONDING COMPANY

**Tulloch Knew Better When He
Spoke—Payne Asks High Officials
to Explain the Charges Made
Against Them.**

New York, May 18.—Senator Thomas
C. Platt today denied the statement
made by Seymour W. Tulloch, ex-cashier
of the Washington Postoffice, that ex-
Superintendent Beavers, of the Salary
and Allowance Division of the Postoffice
Department, had requested a high
official to use his influence to get bond-
ing business for a bonding company
which Senator Platt's son is interested
in, saying that "Senator Platt would
greatly appreciate it."

"The statement is an absolute lie,
and Tulloch knew it was a lie," said
Senator Platt. "I have no interest,
direct or indirect, in any bonding com-
pany."

BONE FOOD

Soft and crooked bones mean
bad feeding. Call the disease
rickets if you want to. The
growing child must eat the
right food for growth. Bones
must have bone food, blood
must have blood food and so
on through the list.

Scott's Emulsion is the right
treatment for soft bones in
children. Little doses every day
give the stiffness and shape
that healthy bones should have.

Bow legs become straighter,
loose joints grow stronger and
firmness comes to the soft
heads.

Wrong food caused the
trouble. Right food will cure it.
In thousands of cases Scott's
Emulsion has proven to be the
right food for soft bones in
childhood.

Assessor Strain's assessment of the
O. R. & N. in Umatilla county has been
practically completed and shows a raise
from about \$4600 per mile to \$13,000 per
mile. The railroad company is expected
to carry the matter to the board of
equalization of this county and further
if necessary, but Assessor Strain says he
will stick to the assessment, on which
he has been working for months. Strain's
theory is that railroad property should
be assessed on an equal basis with
real estate and personal property, and
as everything is being assessed at
one third of the selling price in Umatilla
county this year, the railroad has come
in for a heavy raise.

A Sure Thing.

It is said that nothing is sure except
death and taxes, but that is not al-
together true. Dr. King's New Discov-
ery for Consumption is a sure cure for
all lung and throat troubles. Thou-
sands can testify to that. Mrs. C. B.
Van Metre of Shepherdstown, W. Va.,
says "I had a severe case of Bronchitis
and for a year tried everything I heard
of, but got no relief. One bottle of Dr.
King's New Discovery then cured me
absolutely." It's infallible for Croup,
Whooping Cough, Grip, Pneumonia and
Consumption. Try it. It's guaranteed
by Slogum Drug Co. Druggists. Trial
bottles free. Reg. sizes 50c, \$1.00,
