Ladies' 25c Shirt Waists are Going Fast --- "You Better Hurry"

They are undoubtedly the neatest diplomas we have yet seen and the graduates should feel proud of them.

Members of Bswlin's W. R. C. No. 23 will meet at I. O. O. F. hall at 10:45 a. m. Sunday to attend the Memorial services. Bertha Drew Gilman, president.

Mrs. John Patterson has returned from a visit to Pennsylvania. Mrs. Griffiths, Mrs. Patterson's mother, returned with her and will make her home in Heppner. Mrs. Griffiths is 84 years of age and is hale and hearty.

Master Greenwood Thornton met with quite a serious accident Monday evening. In coming out of the M. E. church, South, another boy jumped against him and he fell on the steps in such a manner as to fracture his left arm. His injuries were attended to by Drs. McSwords and Kistner.

Maple Circle No. 259 was recently visited by Miss Bertha Summer, state organizer Women of Woodcraft. During her stay in the city she was tendered a pleasant reception by the circle at the K. of P. hall. Miss Summer is a very pleasant lady and made many friends while visiting in the city.

There was a very small attendance at the Fourth of July meeting held in the council chambers Tuesday evening, only two of the several committees being present. There is no time to loose and the several committees should get together and work fast, as Heppner should have a rousing celebration.

The case of W. H. Goldfield, executor of the last will and testament of Hugh Field vs. Jane Penland, came up for trial Tuesday in the circuit court. This case was brought by Hugh Fields against the Penland estate. This case has been pending since 1894 and was for the recovery of 2,888 ewes, valued at \$3.00 per head and 821 lambs valued at \$2.00 per head at that time. It was a hotly contested case throughout and

after the jury was out about six hours, returned a verdict in favor of the Penland estate.

The State Sunday School Convention, which was held at Portland last week was one of the best in the history of the state. W. C. Pearce, of Chicago, and Mrs. J. W. Barnes, of Newark, N. J., represented the International work. The work of the convention covered a wide range of topics, but every one was of prime importance to Sunday school workers. Eastern Oregon was given one vice president, Mrs. S. A. Lowell, of Pendleton, and one member of the executive committee, S. E. Notson, of Lexington. The executive committee is planning an aggressive Sunday school campaign, for the ensuing year. We hope Morrow county will be near the front of the procession.

Twentieth Anniversary.

One of the nicest parties of the season was that given by Mr. and Mrs. W. P. Dutton at Roberts' hall Saturday evening when they celebrated the twentieth anniversary of their marriage.

About 75 invitations were sent out and, from appearances, everyone took advantage of the opportunity of attending.

The hall was beautifully decorated with evergreens and potted plants, and China lanterns were arranged between the electric lights, making a most beautiful effect. The game of the evening was "hearts" and in the center of the hall there were innumerable red hearts of all sizes fastened to the electric lights. In the corners were placed couches, supplied with many sofa pillows.

The occasion was one to be long remembered, and it was often heard by those present that this is certainly one of the most pleasant occasions we have had the pleasure of attending, and Mr. and Mrs. Dutton have certainly proved themselves to be royal entertainers.

Mr. and Mrs. Dutton received many beautiful pieces of Chinaware.

MODERN CONVENIENCES
ELECTRIC LIGHTED . . .

Under New Management. Thoroughly Renovated and Refitted. Best Men's in the City.

PHIL METSCHAN, Jr., Prop.

I have had occasion to use your Black-Draught Stock and Poultry Medicine and am pleased to say that I never used anything for stock that gave half as good satisfaction. I heartily recommend it to all owners of stock.

J. B. BELSHER, St. Louis, Mo.

Sick stock or poultry should not eat cheap stock food any more than sick persons should expect to be cured by food. When your stock and poultry are sick give them medicine. Don't stuff them with worthless stock foods. Unload the bowels and stir up the torpid liver and the animal will be cured, if it be possible to cure it. Black-Draught Stock and Poultry Medicine unloads the bowels and stirs up the torpid liver. It cures every malady of stock if taken in time. Secure a 25-cent can of Black-Draught Stock and Poultry Medicine and it will pay for itself ten times over. Horses work better. Cows give more milk. Hogs gain flesh. And hens lay more eggs. It solves the problem of making as much blood, flesh and energy as possible out of the smallest amount of food consumed. Buy a can from your dealer.
