

## Hair Falls

"I tried Ayer's Hair Vigor to stop my hair from falling. One-half a bottle cured me."  
J. C. Baxter, Braidwood, Ill.

Ayer's Hair Vigor is certainly the most economical preparation of its kind on the market. A little of it goes a long way.

It doesn't take much of it to stop falling of the hair, make the hair grow, and restore color to gray hair.

\$5.00 a bottle. All druggists.  
If your druggist cannot supply you, send us one dollar and we will express you a bottle. Be sure and give the name of your nearest express office. Address: J. C. AYER CO., Lowell, Mass.

J. J. Roberts, aged 46 years and 2 months.

Stella Roberts, aged 37 years and 11 days.

Ora L. Roberts, aged 15 years, 8 months and 4 days.

Our three loved ones have left us—crossed over the way; and called, and gave them not a moment to stay.

And the torrent from the cloudburst their sweet lives were taken, Not alone in the waters—they were not forsaken.

Call not back the dear departed, anchored in where storms are o'er,

On the border land we left them soon to meet and part no more.

### Oldest Family in the World.

"The oldest family in the world lives in Bell county, Ky.," said B. F. Creech, a prominent merchant of Four Mile. "I do not mean that they have the longest pedigree, but that they have been here a long time, and have a family history that is perhaps the most unique in the world. Lewis Green is 93 years old; his wife, Virginia Green, is 92 years old. They were married 73 years ago, and went to live on a farm at the mouth of Bingham's creek, in a bend of the Cumberland river. They are still living in the same house to which they went as bridegroom and bride three-quarters of a century ago. They have ten children, the youngest is now 43, and there has never been a death in the family. All of which makes me believe that Bell county is the healthiest place on the face of the globe. The Greens live about ten miles from Pineville."—Louisville Courier-Journal.

### Counterfeit Gold.

The gold used in color printing and on the mirror and picture frames is not from the pure gold leaf, but is a composition of bronze and spelter. It resembles the genuine so closely that few people know the difference. To tell the difference between the genuine Hostetter's Stomach Bitters and the many imitations offered for it, some of which are put up in the empty Hostetter bottles, is to observe that the Private Stamp over the neck is unbroken. Refuse all others if you value your health. The genuine has a record of fifty years of cures of such ailments as nausea, dizziness, flatulency, headache, heartburn, indigestion, dyspepsia, and malaria, fever and ague back of it. If you have never tried it, do so to-day.

### NEW PHASE IN PHOTOGRAPHY.

Artists Now Go to Patrons Instead of Awaiting a Call from Them.

It is no longer regarded as the proper thing in society to go to a photograph gallery to have one's picture taken. Leaders of the smart set at the east have decreed that the artists shall come to the house of the sitters, although an extra charge is involved in the new arrangement. Only fifth avenue photographers are willing to photograph women in their homes and the men who do this at-home work must be artists of the first class, reports a New York paper. These pictures in the home have revolutionized one fashion. Formerly a woman would wear all her jewels and take her stand before the camera in her most pretentious frock, but now these display pictures are tabooed and the woman dresses simply. A favorite pose with one photographer has the subject in a picture hat, with bare shoulders and wearing a simple string of pearls.

More recent even than the dashing hat and glistening shoulders is the photographing of young matrons with their children. In England these pictures are in great vogue and the woman who poses wears a house gown suggestive of the calm of the nursery. The photograph of the lovely countess of Warwick with her daughter was one of the most popular in England. Lady Warwick's arms were entwined about the pretty child, and the picture was sold just the same as those of Ellen Terry, Edna May and other celebrities. Another woman who is photographed always with her child is Rachel, countess of Dudley, wife of the lord lieutenant of Ireland. The countess is one of the great English beauties.

### No Pity Shown.

"For years fate was after me continuously" writes F. A. Gullede, Verbena, Ala. "I had a terrible case of Piles causing 24 tumors. When all failed Bucklen's Arnica Salve cured me. Equally good for Burns and all aches and pains. Only 25c at Slocum's drug store.

Portland is strengthening her city hall vaults in view of the daring hold-ups in the city. A very tough class of hoboos is in evidence there now.

The Illinois Central Railway Company issues a statement showing that the gross earnings of the company during the fiscal year just ended were \$45,145,400, and operating expenses and taxes for the same period amounted to \$31,731,000.

I have had occasion to use your Black-Draught Stock and Poultry Medicine and am pleased to say that I never used anything for stock that gave half as good satisfaction. I heartily recommend it to all owners of stock.

J. B. BELSHER, St. Louis, Mo.

Sick stock or poultry should not eat cheap stock food any more than sick persons should expect to be cured by food. When your stock and poultry are sick give them medicine. Don't stuff them with worthless stock foods. Unload the bowels and stir up the torpid liver and the animal will be cured, if it be possible to cure it. Black-Draught Stock and Poultry Medicine unloads the bowels and stirs up the torpid liver. It cures every malady of stock if taken in time. Secure a 25-cent can of Black-Draught Stock and Poultry Medicine and it will pay for itself ten times over. Horses work better. Cows give more milk. Hogs gain flesh. And hens lay more eggs. It solves the problem of making as much blood, flesh and energy as possible out of the smallest amount of food consumed. Buy a can from your dealer.
