ON THE FARM.

There's many a successful business man who sits in his city office and lets his mind slip back to his boyhood days on the farm. How good it felt to live! What an appetite he had! How good everything tasted! How sound his sleep was! How eagerly he rose with the sun and raced with him through the long day. And now he's a successful man. But he can't sleep. He doesn't enjoy his food. His stomach is weak, his nerves are shaken, and he no more rises with the sun to race eagerly against him. His vitality is low and now and again his heart seems to plunge in his breast as if it would break loose. That's the price he has paid for success. The mischief of the whole business is that he buys "tablets" of one sort or another to "aid" his digestion, and indulges in bromides and other nerve stimulants, just to hold himself together, and wonders why he seems to be getting worse.

The whole trouble with such a man generally lies in what is called a "weak" stomach. The food he eats does not nourish him because it is only partially digested and assimilated. No man can be stronger than his stomach, because it is in the stomach and allied organs of digestion and nutrition that strength is made from the food which is eaten.

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It restores the strength of the body in the only way strength can be restored, by food which is perfectly digested and assimilated, when the diseased stomach (with its allied organs) is cured of disease. It is a blood-making, body-building medicine, inasmuch as blood is made from food and the body is built up by blood. It is not a stimulant, containing neither alcohol or any other narcotic.

NO OTHER DOCTOR FOR ME.

"Last spring, early, I wrote you my feelings and condition," says Mr. A. J. Vanderwater, 873 N. Division Street, Chicago, Ill. "I sent you a card to see Dr. Pierce's Golden Medical Discovery (a few bottles), and then write you how I felt. I am happy to say I am getting to feel fine. In all I have taken six bottles of the 'Golden Medical Discovery' and the 'Golden Medical Discovery' has done me worlds of good. All my friends say: 'Vanderwater, how well you are looking. What in the world have you been doing?' I tell them I have been doctoring with Dr. R. V. Pierce, of Buffalo, N. Y. Why, they say, 'you haven't been there?' No, I say, but I took his 'Golden Medical Discovery' and his little 'Pellets.' These medicines have wrought the great change in me. From a slow motion of a man that could hardly crawl, tired and sick all the time, and could do no work; to a man who can work, sleep, eat, and feel fine, and that tired feeling is all gone away. I am very thankful that I wrote to Dr. Pierce. His 'Golden Medical Discovery' and his little 'Pellets' have almost made a new man of me. I had almost given up hope. No other doctor for me, only Dr. Pierce."

HAD GIVEN UP HOPE.

"I will express my thanks to you for the kindly advice you have given me in regard to my case," writes Miss Carrie J. Wharton, of Dumont, Spotsylvania, Va. "When I wrote to you last spring I was in a terrible state of health. Had given up all hope of ever being better. I spit up my food all the time and that tired feeling is all gone away. I had had a bad headache every other week; in fact, my head never felt clear, and I was perfectly broken down under the strain of losing my food constantly. I had read a great deal in your books of what your medicine had done for others, so I wrote you and got your advice. Bought two bottles of 'Golden Medical Discovery' and the first dose I took I felt better. When I had finished taking the two bottles the spitting up had entirely stopped and my head was much better. I believe your medicines are just what you have said of them. 'I carefully read the books you sent me and shall always speak a good word for the 'Golden Medical Discovery' whenever I have a chance. 'You can publish this if you think it worth while. It might induce some one to try your medicine who was suffering as I did. It was by the testimonials of others that I was induced to try it. I shall always rely upon your advice and feel safe to do as you tell me.'"
